New arena one year old

Following the official opening of the new Acton Arena in February of 1998, there have been additional donors to the fund raising campaign whose generous contributions are acknowledged with many thanks by the campaign committee and by the thousands of people who have been using the facility for the past 12 months.

Galvcast Manufacturing Inc., Hursty's Raiders Hockey Team, Dufferin Aggregates and Evelyn Marshall contributed to the campaigns general funds while the final seats were "sold" to the following donors:

Dan Jensen, John and Freda Buckman, Jim Wilson, Vic and Penny Bristow, Law Development Group, Staff of Acton Bank of Montreal, Blue Circle Aggregates (4), J. C. Marcoux (9), Myra Johnson, John and Marie Zions, May Hoare, William Rogers, Clark A. Somerville, David and Tammy Somerville, Galvcast Mfg. Inc., (6). Roger Haggett, Hursty's Raiders, Harry and Barbara Durham, Robert and Mary Ann Austin, Mary

Papillon, Joan Porty, Stephen LeDrew, Jim and Janet Fiddler, Dr. Colleen Darling, Stacey, Lesley and Carole Allison, Barragers Cleaners, Maurice Van Gils, Cheryl Phillips, Allan Hall, Kathleen Holmes, Acton Rams Minor Lacrosse, Jim and Jo-Ann Pfaff, Theresa Hanley, Alland and Rosalind Hall.

In its first year of operation, the Arena has been heavily used by the community. All those sponsored seats have cushioned a lot of bottoms in a comfort made possible by the spirit and generosity of the community. Thanks go out to all those who got behind this campaign, from the Town's Recreation and Parks Department.

We had nine tables for our monthly euchre. Lone Hands (eight), Charlie Rocher, low, Elma Briada, second lady, Bernice Kilpatrick, high man and lady, Henry and Eileen Wedge.

Come out for our annual meeting on Tuesday, Feb. 23 at 1:30 p.m. and see how we are doing.

Congratulations to Theresa Matheson. She won the prize two weeks ago. Also, Rama on Feb. 24. More bread pudding.

We need people for Tai Chi - line dancing (moving with the music) and Sizzlin' Seniors more strenuous exercise. The programs are running but we could use more people.

There were four tables for bid euchre on Thursday afternoon and Marg Stronziwik went to the moon twice. Great, Marg. Join in the fun any Thursday at 1 p.m. Everyone is welcome. Our cribbage group on Thursday mornings at 10 a.m. is growing.

Anyone interested in computer lessons is invited to just phone the Centre to book a time.

WOW!!!

WHAT A RESPONSE!!

Thank you **Pizza Lovers of Acton** for the response and reaction to our recent Pizzaville "Really Big Pizza" advertisement.

We were overwhelmed with the number of telephone calls that we received and with the number of comments about finally having a **Pizzaville Store in Acton.**

Because the number of telephone calls was so great I'm afraid a few customers were disappointed because they couldn't get through our switchboard or they received their pizza order later than expected.

To those customers that were disappointed, please try us again and we'll go out of our way to please you.
