Acton teams clean up at Milton

If Acton rep hockey teams keep doing so well at the annual Optimist Invitational Tournament in Milton, they might not get asked back.

Three of four teams entered in last week's tournament made it to the finals and two teams captured the championship trophies.

The Acton Major Atom Tanners and the Minor Peeees came home champs and the Minor Novice Tanners - over all tournament points leaders - made it to the final, but lost to rival Fergus. The Major Peeewe Tanners won one game.

After downing Milton, Erin/Hillsburgh and

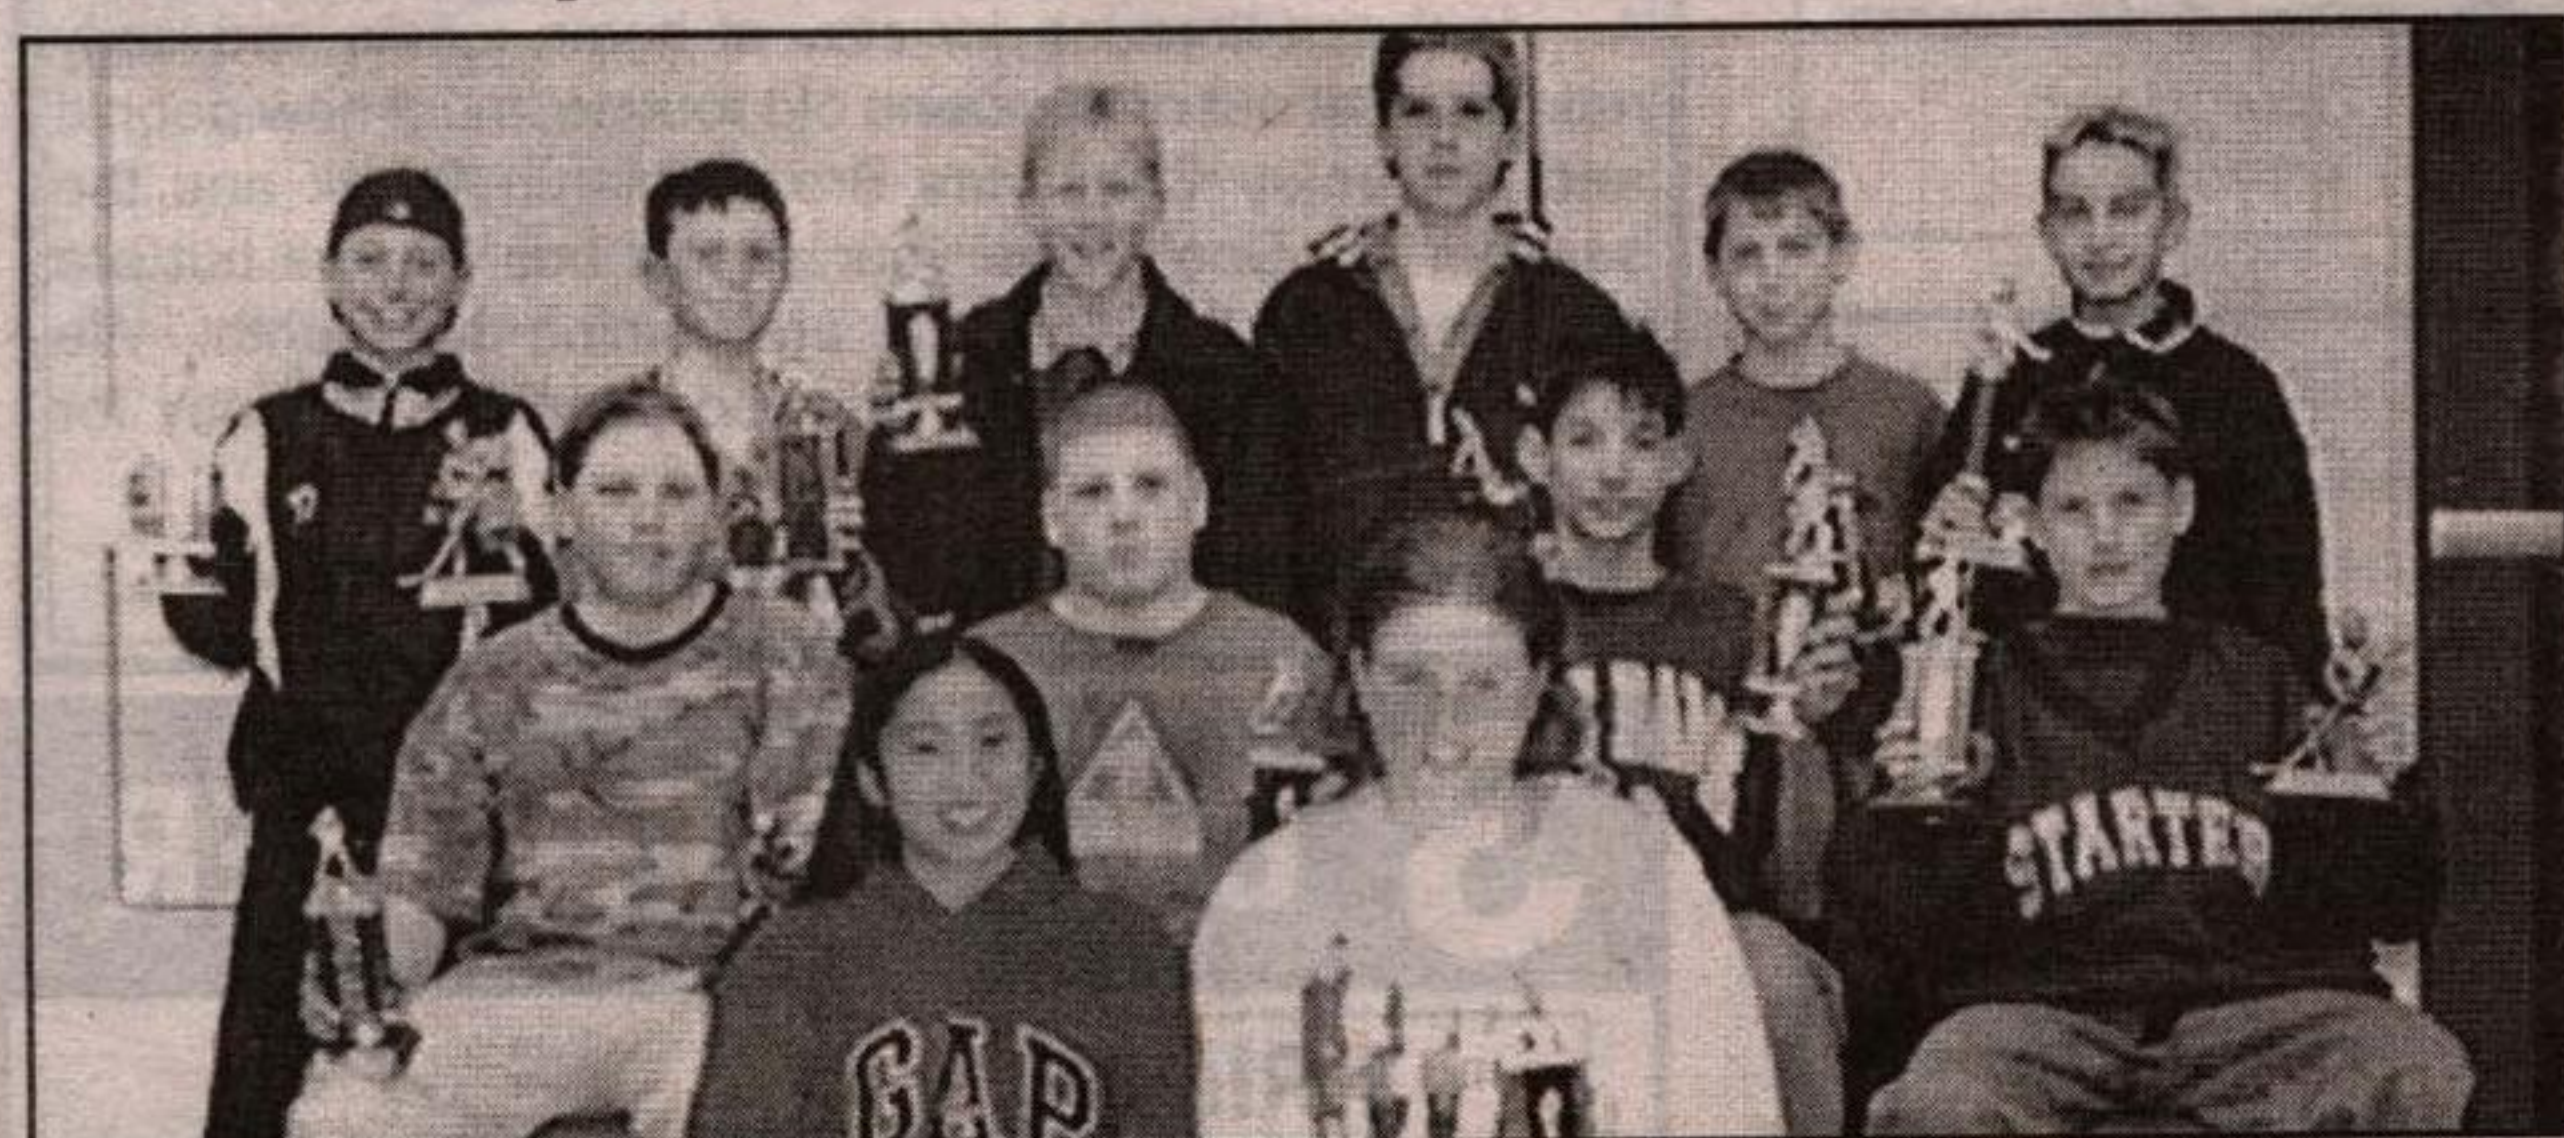

Flamborough the Major Atom Tanners, known as the "come back team" faced host Milton in the final on Saturday. Acton was down 2-0 in the first period but came back with a single from Elliott Shrive and a hat trick from Andrew Marcoux for a 4-1 championship win. Josh Locke was in goal for the first two periods and Simon Sharples took over for the third.

The Minor Peeewe Tanners won their first two games and tied their third round-robin game before meeting Milton in the final and pulling off a 2-1 win. Troy Ethier scored with help

from Matthew Locke and Chad Artem scored with help from Ethier. Brandon Kernohan and Jordan Guindon shared net-minding duties.

The Minor Novice Tanners won all three of their round-robin games and ended up leaders with 11.5 points, compared to 7.5 for Fergus who they faced in the final. Fergus won that game 4-1.

The Major Peeewe Tanners beat Belle River 2-1 in the first game, but then lost to Milton and then to East Gwilembury in the consolation final.
