Review safety rules
 It is almost back to school time. Most of the parents are very happy about this after a summer of the kids saying what can I do? I'm bored. Something you as a parent can do to keep the children busy is to begin a review of the safety rules for your children who walk or ride to school.

1. Look ALL ways before you cross the street.
2. WALK, don't run, when you cross the street.
3. Don't play near parked cars.
4. Where there are no sidewalk, always walk facing the traffic.
5. Play your games in a safe place away from the traffic.
6. Ride your bicycle safely and remember bicycles must follow the rules of the road.
7. When in a car ALWAYS WEAR YOUR SEATBELT.

Parent, teach your children the safety rules and remember the best reaching method is by example.
