fall fair the second weekend of September. This year one of the attractions will be hot air balloon rides with the proceeds going to charity.

The third weekend of the month, September 17 to 19, Acton will be the site of the 86<sup>th</sup> annual fall fair. As usual the three fun-filled days offer traditional livestock competitions, English and Western riding competitions, a midway and assorted games and competitions for young and old.

The last weekend of September the Milton fair offers regional competitions in various categories.

The final big local fair is in Erin on Thanksgiving weekend. That four-day event, like Milton's, is a regional fair and used to be hailed as the preview to the Royal Winter Fair in November.
