

# First clean up targets post office

The Rockwood COP Committee held its first Garbage clean up day on Monday, Oct. 18, 1999. Four members of the group along with P/C Heather Nellis collected garbage on Main Street and Alma Street. One area that

was particularly bad was around the Post Office; we encourage everyone to do their part in keeping Rockwood clean.

On Oct. 21 and 22 the COP Committee borrowed the Traffic Radar Sign. This sign was

kindly loaned to P/C Nellis by the Public Works Department at the City of Guelph. The sign was extremely effective and appreciated by the members of the Rockwood Community. During the two days 11 Highway Traffic Act charges were laid to motorists who were exceeding the speed limit. The Committee hopes to bring the sign back to the area in the near future.

The Rockwood COP office at the Fire Hall will be open on Hallowe'en. All are invited to come by and receive a treat. Please be safe on Hallowe'en and make sure the little ones are dressed in bright clothes and are able to see from their masks.

The COP Committee is also looking for more volunteers to be a part of their group if you are interested or have any comments we would like to hear them, please contact P/C Nellis at the Guelph OPP Detachment at 822-7250.

# The Rockwood MILLER

**TOPS AGAIN:** For the fifth season in a row the Rockwood No Stars Ladies Fastball Team topped their league. They defeated Millgrove in the seventh inning to come back and win the A Division after two losses to Millgrove in regular season. Team members are back row from the left: Coach Dot Polo, Sheila Cormen, Laurie Leighton, Holly Colquhoun, Lori Savage, Pam Osborne, Bev Armstrong and Marcie Diamond. Front row from the left: Brenda Farlow,

Sue Legge, Lisa Steduto, Diane Kravs, Carolyn Davies, Coach Bonnie Hamilton, Carol Death and bat boy Curtis.

# Centennial School starts fund raising

Rockwood Centennial School council kicks off its first fundraising event on Nov. 9. Mary Livingston of the school's Learning Foundation Committee says the school hopes to raise \$10,000 in donations to the Wellington-Dufferin Learning Foundation between Nov. 9 and 19.

In previous years the school received only a small percentage of the money raised through sales of chocolate bars, wrapping paper and cheese. This year, organizers hope to need only one major fundraiser since profits can be channelled directly back to the school.

# New Rockwood church

Plans are almost finalized for the new Rockwood Community Church, starting at the Rockwood library on Nov. 7.

The new church has old roots as it will be a sister church to the Everton community church which dates back to the mid 1800's. Pastor Bill Lewis says the 6:30

evening services will have a "variety" style of meeting with special guest musicians each evening, an area person speaking on how God has touched their life as well as a brief teaching from the Bible. There will also be a children's program. For details call Rev. Lewis at 763-6147.

# YOUR BUILDING EXPERTS

MAIN FLOOR PLAN 1227 SQ. FT. UPPER FLOOR PLAN 832 SQ. FT.

## Best selling plans of the decade - 1995

Many first time home buyers entered the market in the 90's, and the push was on to design more affordable low square footage homes that still offered many of the features found in larger homes. Our most popular design for 1995 provides an excellent example.

Enter through double doors into a foyer brightened by an overhead window. Decorative columns frame the entrance in a fashionable living room featuring a 9'-8" ceiling height, a vault, and a boxed out window seat. A gourmet style kitchen provides plenty of cupboard and counter space, a work island, and a pantry. This compact home also features a den, offering a place for study, hobbies, or a home office.

Upstairs, the front secondary bedroom offers a vaulted ceiling, and a boxed out window seat. The master bedroom is truly grand with a walk-in closet, a sitting area, and a four piece ensuite with a swirl tub.

Plans for U-921 may be obtained for \$485 for a package of five complete sets of working prints and \$40 for each additional set of the same plan. Allow \$20 extra to cover the cost of postage and handling. (Add 7% GST to plan total plus postage and handling)

Many innovative plans are now available in our catalogue: Two Storeys 2000-2500 sq ft., which is available for \$8.51 including postage, handling and GST. Please make all cheques, money orders, and Visa or Mastercard authorizations payable to The New Tanner Plan of the Week, 13659 - 108th Ave., Surrey, B.C. V3T 2K4.
