## Juvie streak ends

The Acton Tanner Juveniles ended a four game winning streak with a penalty-filled 4-0 loss to Aylmer in an away game on Sunday.

The loss was a come down after a 13-1 win over visiting Thedford the night before. The eight Thedford farm boys who showed up didn't know what hit them as they were out-skated and out-shot by Acton.

Ron Routledge led the scoring with four goals and an assist. Adam Petch, Marc Forbes and Garrett Erdelac each scored twice and Brian McIntyre, Shawn Weatherall and Jim Corrigan had singles. Assists went to Derrick McIntyre (3), Corrigan (2), Weatherall (2), Routledge, Mike Hills (2).

Erdelac (3), Grant Russell (2), Forbes (2), McIntyre and Jesse Ward.

In recent play the Juveniles racked up three regular season wins in a row after

doubling Thedford 6-3 in an away game and pounding Lucan 8-1. Corrigan led the charge against Thedford with a hat trick. Daryn McIntyre had a single and two assists. Forbes and Routledge had singles. Petch had three assists, Daryn McIntyre had two and Chris Legge, Forbes, Petch, Derrick McIntyre and Kyle Artem had single assists.

Mike Kempton was in goal as Acton trounced Lucan 8-1 with two goals from both Erdelac and Russell. Artem, Daryn McIntyre, Derrick McIntyre, and Ward had singles. Assists went to Forbes, Daryn McIntyre, Erdelac (3), Ward, Petch (2), Routledge, Russell and Derrick McIntyre.

Justin Babin earned the shutout as the Juveniles blanked Watford 4-0 in their regular season opener in Watford earlier this month. Forbes, Artem, Petch and Christopher scored.

## Block Parents

If yours is a Block Parent neighbourhood, explain what the signs in the windows mean. Make a game of finding the houses with the signs so your children will know at all times where the nearest one is.

(If yours is not a Block Parent neighbourhood, perhaps you are just the one to get the program started. Call your police for information.)

If your child needs help on the street, and doesn't see a Block Parent sign, point out the kind of stores it is safe to go into if he or she is scared. Most neighbourhood or convenience store operators will call you if something is wrong, and keep your child safe until you get there.

Of course the storeowner cannot call you unless he or she can find out from your child whom to call. So teach your children to say their name, address and telephone number clearly. And let them know when it's okay, or even important, to give out that information. Impress on them, however, that they should not tell just anybody who asks who they are and where they live.
