Neo-Heritage Design for Corner Lot

This design combines elements of the time honoured heritage style with contemporary features to create what is commonly referred to as the "Neo-Heritage" look.

A main hip roof boasts gable accents. The exterior cladding is a combination of horizontal siding and vertical board and batten. Stone accent veneer enhances the front and street facing façade, as well as the decorative column on the covered veranda.

French doors lead into a den which is just inside the front entrance. Feature windows on the front and side provide plenty of natural light for this potentially ideal home office. Decorative columns frame the entrance to the living room which also boasts a 10'-6" ceiling height. A three way gas fireplace keeps occupants of the living and dining areas comfortable and cosy. A large open-plan design for the kitchen and family room creates a spacious area for

less formal gatherings.

An elegant curved staircase leads up to a deluxe bedroom area. The master is truly grand, featuring French doors, a large walk-in closet, and a five-piece ensuite.

Plans for U-1120 may be obtained for \$485.00 for a package of five complete sets of working prints and \$40.00 for each additional set of the same plan. Allow \$20.00 extra to cover the cost of courier. (Add 7% GST to plan total plus postage and handling.)

This is one of our new designs. Many innovative plans are now available in our NEW catalogue: Ranchers and Ranchers with Basements, which is available for \$8.51 including postage and handling and GST.

Please make all cheques, money orders, and Visa or Mastercard authorizations payable to The New Tanner Plan of the Week, 13659 - 108th Ave., Surrey, B.C. V3T 2K4.
