FROM BISHOP REDING S.S.

By Justin Yantho and Diana Bedova

Welcome to the first edition of the Royal Report. We are pleased to provide Acton with news concerning occurrences at Bishop Reding Secondary School.

Over the past weeks, students have been looking forward to the March Break. The holiday lasts from the tenth of March to the twentieth. We hope that all students use this opportunity to have fun and catch up on all their studies.

The spring dance on March 3 was a large success. The cafeteria was filled with students enjoying the evening of music and rhythm. Other student government organized events that have or will take place include: various lunchtime activities, movies in the cafeteria and the euchre tournament. The card-playing competition has been going on for the last two weeks and has provided the

students with an outlet for displaying their high skill to the rest of the school. The winners of the tournament will receive \$50 and universal respect.

The Bishop Reding School Reach team has shown excellence throughout their various competitions. The team came in first in their second consecutive tournament and now holds the first place title in Halton. Congratulations to all members.

With spring rapidly approaching, some sports seasons end and others begin. The junior girls' volleyball team displayed excellence throughout their season, winning two tournaments. The girls regrettably finished fifth in their division. Thanks are extended to Joel Brunner and Andrew Coe for helping the girls in their extra curricular activity. The badminton season begins soon. The teams have been chosen.

Bantams win 2, tie, lose in playoffs

By Jim Monaghan

With their elimination from the OMHA playdowns still stinging the collective soul of the major Bantams, Then Tanners went out and ran up a 2-1-1 record in the first four games of their TriCounty round robin playoffs.

In game one, Acton dou-

bled the always tough Arthur squad 4-2. Tyler Chapman, Steve Atkinson and John Field netted a goal and assist each to lead the team. Adam Brouillard was the other marksman while Peter Glatt and Matt Gegeer also chipped in with helpers.

In a rough and tumble con-

test, Acton clobbered Woolwich 7-3 in their own rink. Atkinson once again came up big with two goals and two assists. Chapman also had a pair while single markers went to Andrew Pembleton, Glatt and Field. Helping to set them were Matt Wolfer, Shane Drexler, Mike Macdonald and Gegeer.

With a severe case of manpower shortage due to suspensions, injuries and other commitments, Acton limped to a 3-3 tie with Erin/Hillsburgh in game three at home.

Mark Finnie was full marks for his goal tending performance this particular evening.

helping him to gain the point were goals by the red hot Atkinson, Brouillard and minor callup Colin Seehan. McDonald had a pair of assists while Drexler, Glatt and Wolfer had single helpers.

With the team still suffering from players MIA, Acton got hammered by first place Brampton 6-1 in their backyard. Only Minor Bantam Joe Brunelle assisted by Adam Mills and Dave Lyons found the back of their opponent's net.

The team has two games left against Flamboro and Elora at home this week before semifinals are determined.

LEGION NEWS BRANCH No. 197

By Joyce Buchanan
Secretary, Branch 197

Once again the weather is great but don't worry. March break is coming and we all know what that brings.

Saturday was a good day of travel for the gamblers. I happened to be at the Branch when they arrived back and never saw so many happy losers. They all claimed they had a good time.

Ok, dart players, the Alf Oates Tournament is March 19. You can still sign up at the Branch but you must be over 50 and a Legion member. There is lots of space yet.

Got your ticket yet for the 70th Anniversary Open House

on March 26 from 1 to 6 p.m.? Tickets are \$2. This is in order to have enough food for everyone. The money collected will be given to the Poppy Fund. Service Awards will also be made this day.

I hope you have received your Newsletter. I did my part and got them ready. It's up to the guys to get them out. Some streets need to be delivered; if you have time why not check at the Branch and do a street?

Initiations and General meeting is March 13. Try to make it. Don't forget those who are ill or shut-ins either. Call or visit someone.

See you at the Branch.

Farewell "Fordy"

CONSTABLE David Ford
retired February 28th, 2000.

After 30 years as a member of the Halton Regional Police Service, "Fordy" has hung up his uniform for the last time.

For the last 10 years, he worked in the Acton area and is well known by both the good and the bad.

I have known Dave for about 25 years and always enjoyed working with him. He had a great sense of humour and decency, and a need to help people where he could. He was well liked both in the community and on the police service.

Dave does not like paperwork, and many times would deal with a matter in his own way, which required a minimum of "paper".

This is getting a bit like an obituary and that is not intended, but his fellow officers will sincerely miss knowing that "Fordy" is taking care of things.

Have a long retirement Dave.
