St. Patrick's Open House at EWAG Community Services

If you read this quick enough you will be able to drop down to EWAG Community Services and visit us on March 17 for our St. Patrick's Day Open House between 10 a.m. and 4 p.m. Enjoy "green" goodies, Irish "potatoes", and coffee and tea (by donation). You might even win one of our "Luck of the Irish" lucky draws or a meal from the Diners Club. See how the new Job Bank works and check out our March specials in "Happy Returns" where all green clothing items are half price. Hope to see you all there.

There are some great outings offered in the upcoming weeks. On Friday, March 24 there will be an outing to the Elora Antique Market. Cost is \$4 (includes refreshment) and

the bus leaves Squires Lodge at 1:30 p.m. On Friday, April 10 there will be a lunch outing to Anna Mae's Bakery and Restaurant and a visit to the Millbank Cheese Factory. Cost is \$9 and the bus will leave Squires Lodge at 11:15 a.m. If you are interested in any of these outings and are not part of the Seniors Day Program, please call Lynn at EWAG at 856-2113 to reserve a spot on the van. These two outings are usually very popular.

We are still offering free hearing testing to those who feel they may need a hearing aid. There has not been a definite date set yet but Acoustic Hearing Aid Services will be coming out to the Rockwood office to do testing. If you are interested please call Lynn at

856-2113 for an appointment.

Remember that we do have a Food Pantry on Wednesdays by appointment. There are also Government Forms available at the office (Old Age Pension, Unemployment, Canada Pension, Health Card, etc.) Job Bank is also available as well as health and community services information. Our office hours are Tues. - Fri. 10 to 4 and the store is also open on Saturday from 10 to 2.

WE HONOR OUR firefighters

Captain Dale Levere, a 16 year veteran of the Area One Station, is a graduate of the Ontario Fire College. When not working at Blue Circle Aggregates, Dale's Fire Department responsibilities include training, pumper operations, and co-managing the Emergency Patient Care Team. He is an avid collector of fire figurines and collectibles.

CAPTAIN DALE LEVERE

BABY SITTERS - REACT FAST TO FIRE!

In the event of a fire, your first responsibility is the safety of the children. If you smell smoke or gas, take the children immediately to a safe location outside the building. Never waste time dressing the children - a blanket will do, even in cold weather. Do not go back into a burning building for any reason. Smoke and gas are dangerous, even from a small fire. Have a neighbour call 911!
