

**LOCAL LEADERS:** House Round Winners from the Acton Lanes in the Provincial Team Tourney will head for Brampton and the next round of the competition on March 12. Team members are front row Brenda Grace and Shirley Carroll. Back Row from the left: Maureen Saxon, Anne Wilson, Loesje Kutasienski and Cathy McDonald. - Maggie Petrushevsky photo

## POWER to plant trees in park

Pupils from three Acton elementary schools will be planting several hundred trees and more than 250 shrubs along the south edge of Fairy Lake in early April.

The project, called TREES 2000, is a brainchild of POWER (Protect Our Water and Environmental Resources) is designed to help restore the environment and wildlife habitat, says POWER president Barbara Halsall. POWER's partners in the venture are the Town of Halton Hills and Credit Valley Conservation.

Letting pupils do the planting will teach them about their environment as well as com-

munity service, she says. Between April 6 and 13 they will plant native species from the Royal Canadian Legion, behind Birchway Place, and along to Mills Street West.

Halsall says POWER received partial funding for the project from ECOACTION 2000 and is awaiting word on a Trillium Foundation grant.

POWER is inviting interested citizens to attend a public information meeting about the project at the Royal Canadian Legion on Tuesday, April 4 at 7 p.m. There will be maps, species lists and agency staffers on hand to answer questions and/or concerns.

## Fairy Lake has lots of friends

Almost 100 people showed up for a community meeting Tuesday night to hear the history, biology and future needs of Acton's Fairy Lake. Held in the high school cafeteria, the meeting was addressed

by representatives from the Town, the Credit Valley Conservation, and the Ministry of Natural Resources and held a question and answer session for the public. Councillor Norm Elliott chaired the meeting which was also addressed by Cr. Rick Bonnette.

Friends of Fairy Lake was organized by new residents Stan and Valerie Slater. Many names were added to the list of volunteers following the meeting. A full report will appear in next week's New Tanner.

## Letters

### Indoor soccer

To the Editor,  
There was great excitement recently as the Acton Indoor Soccer League finished its season.

I would like to thank all of the Acton Indoor Soccer League coaches who gave their time to help us out this year. Without their help our indoor league would not be able to continue.

I would also like to congratulate all the players in their terrific sportsmanship that they continued to show throughout the year. They are the ones that make it a rewarding season and keep us coming back each year.

Joanne Cooper
