"The Home of the Week" YOUR BUILDING EXPERTS

Traditional exterior enhances family home

A gable roof sits on top of a more expansive cottage style roof, creating a dominant lower floor massing which in turn calls attention to an inviting covered veranda adorned with heritage detailing.

An open plan for the living and dining room provides a spacious atmosphere for formal entertaining. The cook in the family will enjoy a gourmet style kitchen complete with a handy work island and a pantry. The family room, open to the kitchen, offers a comfortable area for less formal gatherings, and features a cosy gas fireplace. Windows all along the rear provide plenty of natural light.

Upstairs, all four bedrooms are a good size. The front right bedroom boasts a boxed out window seat. The master bedroom features a walk-in closet, a four piece

ensuite, and a sitting area with stylish corner windows. An unfinished basement awaits your own creative touch.

Plans for U-1129 may be obtained for \$485.00 for a package of five complete sets of working prints and \$40.00 for each additional set of the same plan. Allow \$20.00 extra to cover the cost of courier. (Add 7% GST to plan total plus postage and handling.)

This is one of our new designs. Many innovative plans are now available in our NEW catalogue: Two Storeys 2000 to 2500 sq ft, which is available for \$8.51 including postage and handling and GST.

Please make all cheques, money orders, and Visa or Mastercard authorizations payable to The New Tanner Plan of the Week, 13659 - 108th Ave., Surrey, B.C. V3T 2K4.
