"The Home of the Week"
YOUR BUILDING EXPERTS

Stylish home suits contemporary tastes

Proportion and balance describe this attractive Neo-Traditional style home, which features a double gable upper floor outcropping set well within the main hip roof. A covered entry veranda with tapered wood posts offers a warm classical welcome. Decorative columns and archway frame the entrance to a stylish living/dining room which boasts a 9'-0" ceiling and feature windows. An open plan for the kitchen and family room creates a country kitchen style atmosphere complete with a cosy gas fireplace. The master bedroom, conveniently situated on the main floor, boasts a walk-in closet and a four piece ensuite. Upstairs, both bedrooms are a good size. An open den provides an ideal study room or home office.

An unfinished basement awaits your own creative touch. Plans for U-1135 may be obtained for \$425.00 for a package of five complete sets of working prints and \$35.00 for each additional set of the same plan. Allow \$20.00 extra to cover the cost of courier. (Add 7% GST to plan total plus postage and handling.) This is one of our new designs. Many innovative plans are now available in our NEW catalogue: Two Storeys under 2000 sq ft, which is available for \$8.51 including postage and handling and GST. Please make all cheques, money orders, and Visa or Mastercard authorizations payable to The New Tanner Plan of the Week, 13659 - 108th Ave., Surrey, B.C. V3T 2K4.
