

# \$80,000 fire at Town works yard

**Works yard blaze**  
An electrical wiring problem is the suspected cause of an \$80,000 fire at the Town's public works yard on Trafalgar Road in Georgetown at 10:02 Sunday morning.

Two trailers that housed seven works staff were destroyed in the blaze that melted telephones, computers and burned files.

Someone using the recycling bins at the yard saw the smoke and yelled to a neighbour to call 911.

## Open invitation to thieves

Thieves targeted unlocked sheds and garages on Southwinds Drive in Ballinafad and stole \$2,635 worth of tools in two break-ins earlier this month.

Between August 8 and 11, \$2,500 worth of power tools and fishing equipment was taken from a garage. Between August 4 and 12, thieves also entered an unlocked workshop at the rear of a neighbouring home and stole \$635 worth of tools.

"I remind everyone in the community to secure their garage doors and sheds as we've had a series of these (B&Es) both in Georgetown and the Acton," said Detective-Sargent Jackie Gordon who said thieves want small portable and expensive items and unlocked doors.

## YO pot charge

A 17-year-old female Young Offender from Georgetown was arrested and charged with possession of a controlled substance after police found nine grams of marijuana on her person. The teen was questioned at the corner of Main and Mill Streets at 7:45 Sunday night.

## Another trailer arrest

A fifth person has been arrested and charged with 13 counts of break and enter in connection with break-ins at Smallwood Acres camp on Dublin Line last October.

A 19-year-old Guelph man appears in Milton court on September 11.

## Wading, swim pools close

Both the Prospect Park wading pool in Acton and the Dick Licata outdoor pools in Georgetown will be closed for the season on August 27.

The indoor pools in both Acton and Georgetown will also be closed for maintenance and renovations September 4 to September 30 of this year.

## Missing lawn ornaments?

Nine of the 25 lawn ornaments found in Prospect Park Sunday morning have been reunited with their Hill Street owners, who are still missing a fox and a squirrel.

Police have the remaining ornaments at the 10 Division station on Mill Street, and ask anyone missing an ornament to come and identify it.

## Impaired drivers

A 36-year-old rural Acton man is charged with having over 80 milligrams of alcohol in 100 millilitres of blood after failing a roadside breathalyzer. Police stopped the man after he disobeyed a stop sign at 2:53 Sunday morning at the corner of Wallace Street and McDonald Boulevard.

An hour later, police stopped a 37-year-old Rockwood man, driving a 1998 Mustang, at the corner

of Elizabeth Drive and Main Street and charged him with impaired driving and over 80.
