## Brunch organizers say thank you

*Dear editor,*  
The Acton Community Brunch Committee would like to thank Halton Hills Community Support and Information for helping with our sixth Sunday Brunch which was held on October 29. Over 400 people enjoyed the opportunity for fellowship and savoured the wide variety of food provided. We will be sharing the profits with HHCSI this month.  
Thank you also to the many local businesses and groups (Acton Community Centre, Acton IGA, Acton

seniors Centre, Dufferin Aggregates, Georgetown Golf Club, Halton Flour Milling, HHSCI, Tim Hortons - Acton, and Whiteclay Enterprises) that contributed to the event, either by donating, lending or discounting products.  
We thank the Acton Community for your continuing support and look forward to seeing you on Sunday, November 26 which will be our last brunch of 2000.

## ACTON SENIORS' RECREATION CENTRE

*By Dot Redekop*  
Don't forget the Estate Disposition Seminar at 1:30a.m. on Monday, Nov. 13.  
Also the CPR Course on Thursday, Nov. 16 and 17 at 9 a.m. You must register for this course. The cost is \$15 and you must attend both sessions to receive your certificate.  
The fish and chips dinner is Nov. 22 at 6 p.m. Please phone to get your name on the list before Tuesday, Nov. 21. We have to order ahead so we have to know by Tuesday. I hear it was good last time.  
The Rama trip is Wednesday, Nov. 29 at 8:45a.m. We are getting ready for the Christmas Bazaar and Luncheon. I see they have set up the raffle display, the one

thing I noticed was the money tree. Come in and see what we have to offer and get tickets.  
If you have any ideas for a course or game you would like to come to, by all means phone 853-5951 and we will offer it to the members. We are always looking for something new to add. Betty and Barb are planning a shopping trip later this month.  
If you are interested in crocheting, we are having two sessions, Monday, Nov. 27 and/or Monday, Dec. 4 at 1 a.m. Come in and sign up on the sheet that is on the desk.  
The poor Christmas cactus is still fighting for its life. I have it here at home with me so I can see how it is doing. I'm hoping it will come along because last year it was in full bloom for Christmas.

## Residents sympathize with vandalism victim

*To the Editor,*  
I read with interest the letter written to The New Tanner about the vandalism done especially in our area this Hallowe'en.  
First, I must say I am saddened that newcomers to our town and community had this happen and give her credit for having the courage to write a letter and express her feelings.  
We know a lady in her 80's who had the aluminum siding on her home spray painted with purple paint and the letter "A" circled (whatever that means). Her windows and wall were egged as well. She has had so much vandalism over the years not just at Hallowe'en. It's hard to believe how much she has put up with.  
How do your readers feel

about having the walls on their home spray painted, and egged as well. It's not much fun.  
Who is responsible for the cost of having to hire someone to clean up the mess if you are unable to do it yourself?  
I wonder how the parents of these punks would like to have to remove screens and windows and scrape off egg that has run down walls as well. Eggs have to be removed quickly or they do a lot of damage, especially to paint on a car.  
Having had our home and car egged many times, we got our usual treatment this year. As we are getting older it is getting harder every year to clean up. We consider ourselves lucky not to be spray painted.  
We gave up years ago on

hanging plants, and outside Christmas lights and decorations. They were either stolen or smashed on the lawn.  
I have never, ever written a letter to the Editor before, but seeing this happen, enough is

enough.  
I am also writing on behalf of someone who cannot fight back and hope I will be able to get rid of the anger and frustration I feel about this abusive situation.  
Thank you.
