

AND IT'S ONLY FALL... Winter may only start on Friday officially but it has been here since November as these piles of snow show. They promise a white Christmas.

How 'bout a little
ONE-ON-ONE?

Saturday, January 6: 7 pm.**

ROYAL REPORT

By Mark Laframboise and Ryan Pyne

Christmas break has arrived and students and staff alike are in the festive spirit. Everyone at Bishop Reding wishes the community a Merry Christmas and happy New Year.

Yesterday, B.R.'s music department presented the annual Christmas concert. The Senior, Junior and Jazz bands along with the choir

and guitarists delighted us with festive sounds. Thank you all who made this year's concert possible.

Bishop Reding's annual Christmas food drive collected 2,700 plus non-perishables. Good work BR. All your efforts will be appreciated over this holiday season.

A murder occurred in the

hall of Bishop Reding. One unfortunate staff member's life was taken by another.

Local detectives Kris Kringle and Bingo Bob made the annual return once again to solve this terrible occurrence. With the Christmas holidays fast approaching, the help of staff and students was needed. Every morning this week each first period class received activities and clues that helped lead them to the victim, the murderer and the motive. The activity, which was or-

ganized by Ryan Dorland, wrapped up today at the annual Christmas assembly.

"This will be a sign for you; you will find a child wrapped in bands of cloth and lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God and saying 'Glory to God in the highest and on earth peace among those He favours!'

New Cops...

ploma at Humber College.

Laus was supervisor in the emergency services department at Bombardier Aerospace in Toronto and is a certified instructor in various fields, including defensive tactics, First Aid and CPR, sexual harassment and rape prevention.

Krista Sherry was born in Kitchener, raised in Milton and attended high school in Burlington. She received the

Athlete of the Year Award from the school as well as the Toronto Star Athlete of Ontario award.

A graduate from the University of Western Ontario with a degree in philosophy, she is now completing her second degree from there, this one a bachelor of science.

Before joining the police Sherry conducted biochemical research at the Canada Centre for Inland Waters in Burlington.
