"Home of the Week" YOUR BUILDING EXPERTS

Classic Coach House

Inside the foyer, a coat cupboard provides useful storage for outdoor wear. The main living area on the second floor of the coach house is a model of design efficiency, taking full advantage of the 646 square feet of living space.

A dormer window and sloping ceilings add character to the generous-sized living area. The compact kitchen at one end of this room is eminently suitable to serve a single person.

The bedroom has its own dormer window and sloping ceilings. A three-piece bathroom at the rear of the house is centrally located between the living room and bedroom. A linen cupboard offers extra storage space.

Traditional coach house lamps on either side of the front door add an appealing aspect to the exterior. The coach house is 36 feet wide and 24 feet deep.

Plans for design H 14-1-255 are available for \$145 (set of 3), \$15 for each additional copy. Please add \$25.00 for Priority courier charge. Also add 7% GST to both the plan price and postage charges.

Our NEW 32nd Edition of the Home Plan Catalogue containing over 300 plans is available for \$11.50 (including taxes, postage and handling). Make all cheques and money orders payable to "Home Plan of the Week" and mail to: HOME PLAN OF THE WEEK, c/o The New Tanner, 336 Columbia Street, New Westminster, BC V3L 1A6. or see our web page order form on: <http://www.jenish.com> and e-mail your order to: homeplans@jenish.com.
