Gibbons

Painting, Decorating

Hello, my name is Rory Gibbons. I own Gibbons Painting and Decorating. I have been serving Halton Hills and surrounding areas with 11 years experience.

I started painting 11 years ago in Toronto, but after starting a family we decided to come to a community-based town. We chose Acton. I have found Acton and area to be a friendly and warm environment to work in. I take great pride in my craft and customer satisfaction is guaranteed. I do interior and exterior in both oil and latex. I offer competitive rates and have references available upon request. I look forward to serving you.

Acton man gets custody

Continued from Page 1.
about returning to Acton - I think she'd been told to say that - she didn't mention it again," Davitt said on Sunday, adding he'd tried to call Betsy, but hadn't been able to reach her.

Davitt has had only a handful of supervised visits with Betsy since his ex-wife was granted temporary custody last August, by a Michigan court, without his knowledge. With dogged determination Davitt saw his case end up in an American federal court, where after interviewing Betsy, the magistrate justice recommended the girl be returned to Canada.

Davitt is confident his ex-wife will surrender Betsy in light of the 20-page ruling that supported Davitt's case with a Federal court order.

"If they don't appeal, this is the final ruling and I can't wait for Betsy to come home. I'm so excited."

While finding that Betsy's mother failed to prove by clear and convincing evidence that her return to Canada will expose her to grave risk of physical and/or psychological harm, the magistrate judge also noted her parents appear furious with each other and that Betsy "is suffering from her parents' wrangling."

She showed off an achievement award that the organization just received from the Ministry of Natural Resources Community Fisheries and Wildlife Involvement Program for last year's work. Plant and compost sale at parking lot May 12

Hardy perennials, excellent gardening advice and rich black compost are what you'll find at the annual plant and compost sale at the olde Hide House parking lot on May 12 from 8 a.m. to noon. The plants, herbs, and shrubs are lovingly potted up from the gardens of the Horticultural Society members and dispensed with good advice on how to plant, nurture, and care for them.

The Black gold compost comes from the Wet-Dry Re-

cycling Centre in the city of Guelph and contains only natural composted material (leaves etc.). This rich compound should be thoroughly mixed into the soil.

Compost bags sell for \$3 or 4/\$10 and this year, bulk deliveries will be available. Commencing April 28, one yard of compost will be delivered (Acton residents only - rural and town) for \$25.

Please call 836-5024 or 853-5245 to place your bulk order only.

Vandals smash windows...

window panes were smashed on the north-east side.

On the southeast side of the building, a window of safety glass beside the door had been smashed; sending shards 15-feet into the school hall, but no entry was gained.

Area residents told police they heard noise and breaking glass between 3:15 and 3:30 a.m.

"We're encouraging the community to call when they hear noises or activity that would warrant even just a police (officer) driving by," Detective-Sergeant Jackie Gordon said on Monday.

False alarm

An alarm that turned out to be false brought Acton firefighters racing to the IGA at 6:46 Sunday morning. No word what set off the alarm.
