# ANNIVERSARY EVENT

**37 Rakes  
given away  
already**

**Low  
Interest  
Rakes**

Well now we're eight  
And we feel great  
So it's time to celebrate  
Heck, let's commerate

We're so filled with glee  
That when you come see  
We'll have a rake for thee  
And, yes it's free

We'll offer you an additional saving  
In order to keep you raving  
About the most happening place in Halton Hills  
Concerned with ridding you of those winter chills

Yes, we've won all the awards  
But we'll never stop striving towards  
Pursuing your complete satisfaction  
For us, it's the only course of action

We savour the opportunity to grow  
A token appreciation we will show  
By proving there's a great deal at stake  
So see you soon for your free rake

**\*Must test drive while supplies last. No Rake Checks.**
