Four members of Acton's Classic Karate brought home medals from the 7th annual Canadian Jiu-Jitsu open championship tournament in Acton last Sunday, making themselves, and their instructor, very proud.

"These students did ex-

tremely well and I'm so proud of them," DR MacGregor said after the meet.

"It was very well run and there was a lot of good sportsmanship in and out of the ring," he said, adding the refereeing was consistent because they had all been trained to the same standards.

The Classic Karate winners include Dave Bell, who captured

first place in his adult continuous fighting division and second in the kata, which is a set routine. Cameron Martin, 13, also took first place in continuous fighting and second in kata.

Lindsay Charette, 13, captured first place in her division's kata and second place in continuous fighting. Ali Piccioni, 17, claimed first place in his division's kata.
