

COMBINE CARAVAN: Elmira Farm Service at Ospringle hosted their annual combine clinic from June 19-21 and 12 of their largest combines paraded down the highway for display at all three of their locations. A police escort was provided to help assist the flow of traffic. Over 100 farmers registered for the event. - Submitted photo

Fond farewells at Robert Little

While there will be more staff changes "than normal" at Robert Little School come September, principal Don Warren doesn't necessarily see that as a bad thing.

In fact, while interviewing for replacements, the Halton District School Board's instruction team leader for French, Gail Phillips, had a few suggestions among new graduates.

"I was interviewing for new French teachers and Gail (Phillips) said she had two top people for me, and I trust her judgement," Warren said, adding Phillips said the new staff would

"maintain the integrity" of the French Immersion program in Acton.

"We're in a position to attract good people and giving me the pick of new graduate is really good for the school, so I'm really pleased," he said.

Teachers who are leaving Robert Little include:

Carol Crawford: She is resigning after teaching Grade 4, half time, for 2-and-a-half years. Her replacement hasn't been named

Jennifer Checkley: The core French teacher is moving to Barrie. Her replacement is Leslie

Chateauvert, a new graduate **Renee Rameshware:** The Grade 1, French Immersion teacher for four years, has accepted a position with the Peel board. New graduate, Kerrie Munro, is her replacement.

Janice Snow: After six years at Robert Little, Snow, who taught English to Grade 1 and 2 French Immersion students, has accepted a Junior Kindergarten job in Georgetown. Her replacement is Pam Shepherd, transferring from Georgetown.

Marylou Denny: A veteran of 13-years in Acton, Denny is transferring to Pineview School, which is closer to her home.

Also new to Robert Little are: **Veronica Purcell:** currently the early learning teacher, she will teach both Junior and Senior Kindergarten

Tanya Cole: The Acton resident, currently teaching at George Kennedy School in Georgetown, she will teach Kindergarten, half-time.

With the addition of two Junior Kindergarten classes, enrollment at Robert Little is expected to be up to approximately 400 students in September.

Changes at MSB again

For several years there have been major staff changes at McKenzie-Smith Bennett School, and this year is no different with 13 of the 33 teaching staff leaving.

Retiring teachers include: **Rob Coleman:** The Grade 6 English and social sciences teacher **Joe Morrow:** A special education teacher

Four teachers have accepted positions with schools closer to home, including:

Darlene Falbo: She taught Grade 6 science and math

Leslie Stevenson: She taught music to Grades 4 through 8

Pauline Walsh: She taught Grades 6 through 8 physical education and health

Laura Robertson: She taught Grade 8 English, geography, history, math and special education

Teachers who have accepted more specialized positions at other schools include:

Barb Brown: A Grade 4/5 teacher

Jean Leckie: A grade 4/5 teacher

Alice Assor-Chandler: a mid-year replacement who taught Grades 6/7/8 French Immersion

Rob Bracken: The Grade 7/8 science teacher is pursuing work with the International Schools

Sarah Cripps: The Grades 6/7/8 French teacher is going on maternity leave

Veronica Purcell: She is leaving MSB to teach Junior Kindergarten at Robert Little School

Karen Allen: The primary and junior relief teacher is leaving for a full-time contract position

Mark Zonneveld: The vice-principal is leaving MSB to become principal at Harrison Public School in Georgetown

New staff include: **Phil Hepworth:** Grade 4/5 **Tony Bellavia:** Grade 6/7/8 phys. ed. and health

Gates approved on Main St. N....

Continued from Page 1.

deaths on Fourth Line, the Main Street crossing gates were scheduled to be installed first. He also said the Town wanted traffic lights installed at the nearby intersection of Main Street North and Highway 7, but there's no money from the province for that project.

"It probably should be signalized, but it's the MTO's intersection and the MTO is backing away from that," Henry said on Friday, adding Transport Canada will pay for some curb improvements in the area to help with placement of the gate arm bases.

The project includes two safety gates that automatically drop down across the roadway when a motion sen-

sor detects a train within 3,000 feet of the crossing. The sensor gauges how fast the train is moving and triggers the lights, bells and arm drops when the train is 25 seconds

from the crossing.

The Town's consultant is preparing a tender for the crossing gate project that must be completed by November 30.
