LEGION NEWS

Hi again,
Well, only nine people turned out for Fun Golf on Saturday, and that is just what they did, have fun. The weather cooperated and they came back to the Branch for lunch.

Notices are posted on the bulletin board for the Masters Golf coming soon: the number of participants is limited, so you should have your name in soon. I will have more information by next week.

July 14 is the Dragoon BBQ. Tickets are available or you can just come on down and visit with the Dragons and listen to the music. We will have the regular Saturday Meat Draw.

I still need some correct addresses for the mailing and telephone lists. Dave Crooks would also like to hear from you if you can help with a Bar Crew.

Leave your name at the Bar for him.

If you can help in any capacity around the Branch let your executive know. I know you don't know who they are. Try Gord McCutcheon, Frank Speilvogel, Carl Fisker, Gary Munday, Dave Cooks, Ray

Gaudet, Tony Rouse, Kerwin McPhail, John Dunn, Lena Fisker or myself. Remember we work on a Volunteer system.

Don't forget the sick, also keep us informed. If it is vacation for you, have a safe holiday.

Remember there is always Bridge and Euchre during the week. See you at the Branch.

"Home of the Week" ~ Your Building Experts

Family recreation home

The design of this delightful recreation home, which includes both a veranda and sun deck, makes sure nothing is missing to mar those weeks or months spent on vacation.

The super-modern floor plan starts at the entrance under a picturesque veranda at the rear. Past the coat/laundry room and the main bathroom, the hallway leads to the master suite, privately situated in the corner at the rear of the house. A sloping ceiling and boxed-out window add charm and character and accentuate the feeling the suite is also a retreat.

Central to the day-to-day activities is the expansive living/dining room, which looks out to the oversized sundeck through a wall of windows and French doors. Above the sloping ceiling a dormer window adds even more to the abundance of natural light that pours into this room. A gas fireplace takes care of warmth and cosiness for the winter months providing year round use.

The U-shaped kitchen is neatly accommodated at the end of the living/dining room and offers an efficient design and space for preparation of meals; it also makes sure the cook is not cut off from the rest of the family.

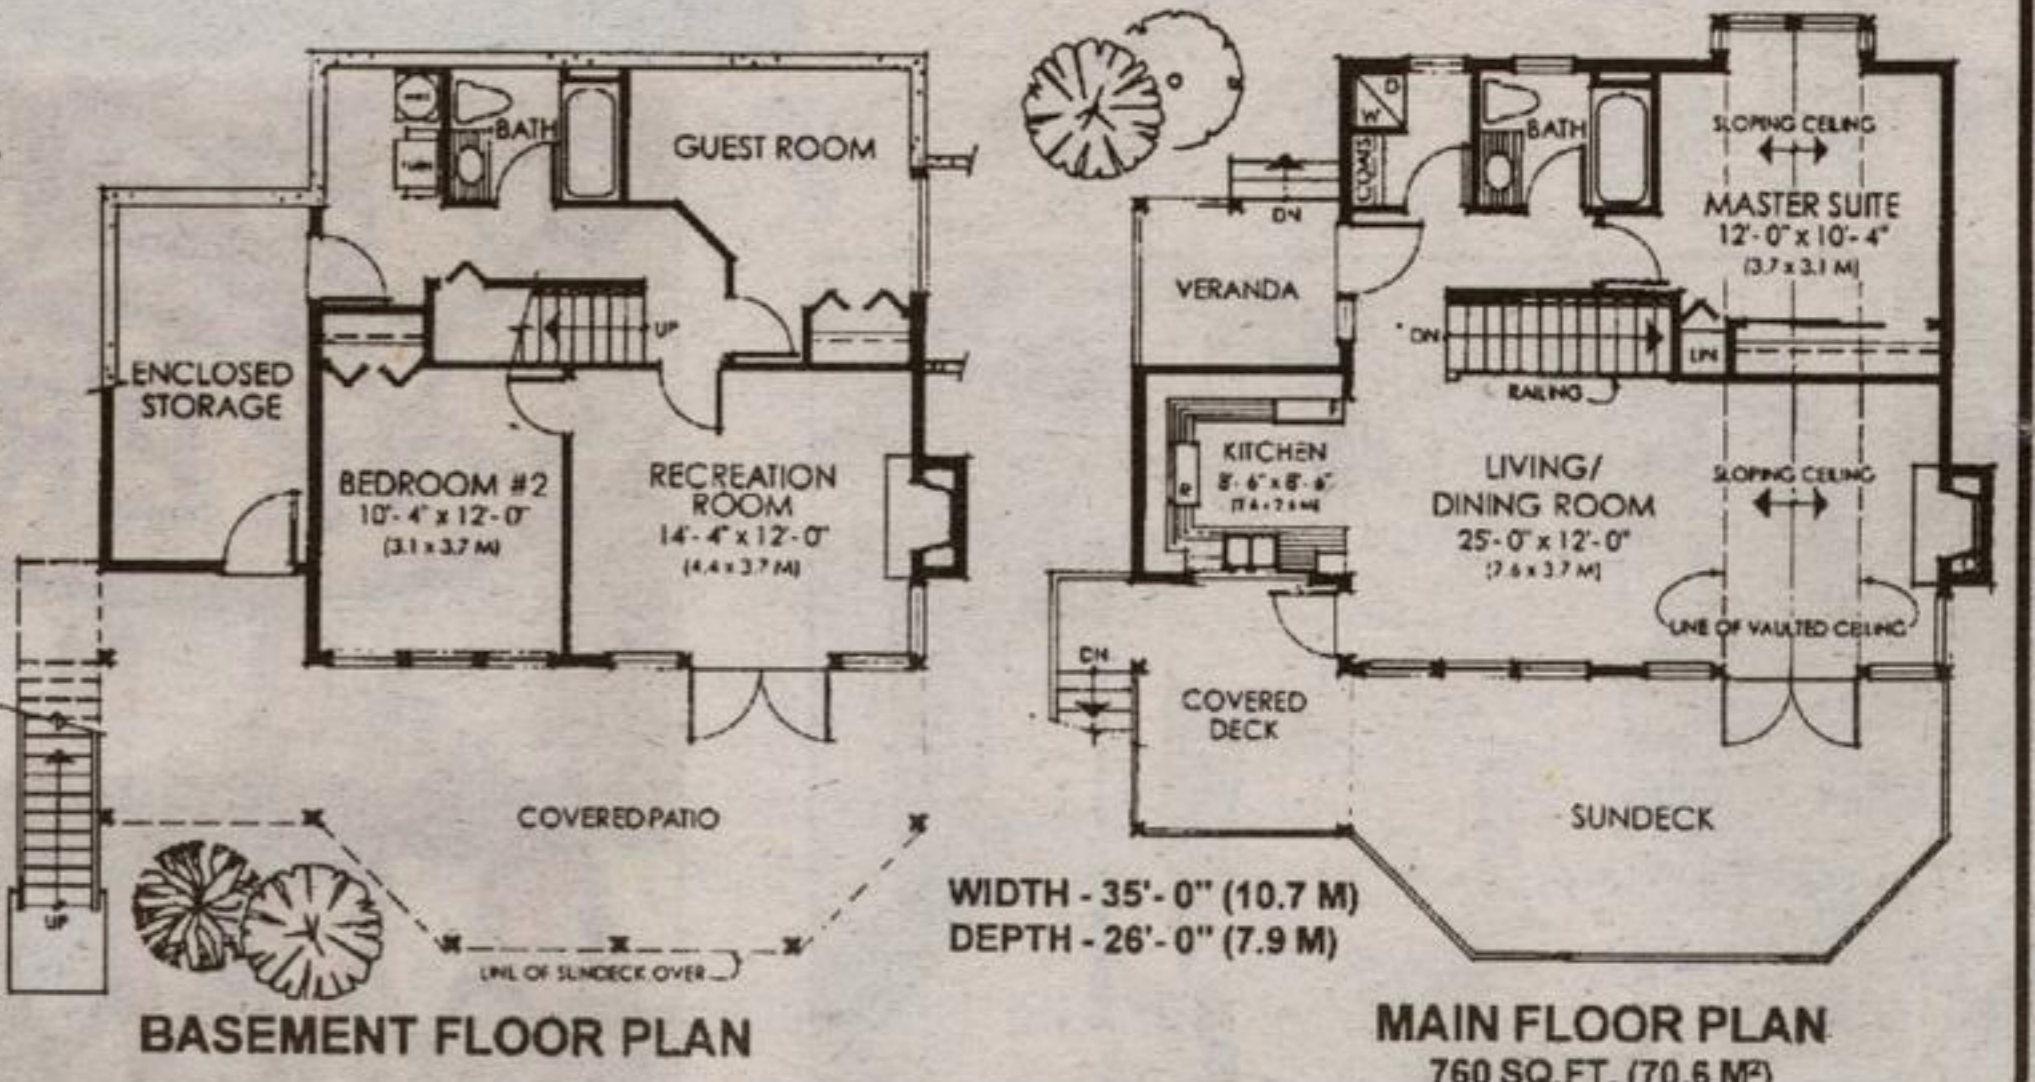

On the lower level, a second bedroom and guest room share a three-piece bathroom. A good-sized recreation room has a gas fireplace and French doors opening on to the covered veranda.

The large, enclosed storage space will easily contain the family's seasonal recreational equipment, which is easy to move in and out of this walk-out basement.

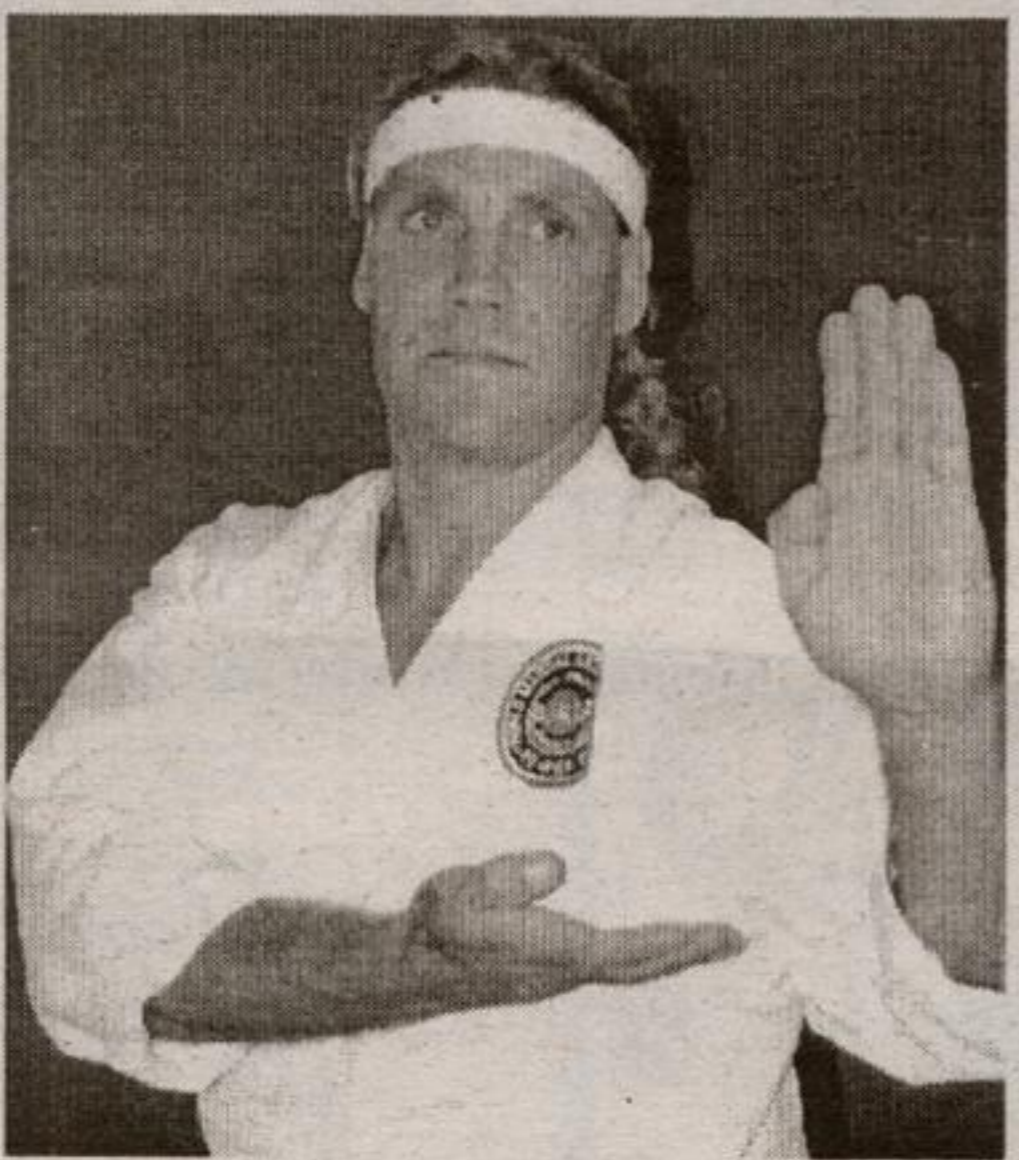

The house is 35 feet wide and 26 feet deep with 760 square feet of main-floor living space and the basement area.

Plans for design H10-2-181 are available for \$291 (set of 5), \$352 (set of 8), and \$390 for a super set of 10. Add \$25 for Priority courier charges and also 7% GST to both the plan price and postage charges.

Our NEW 33rd Edition of the Home Plan Catalogue containing over 320 plans is still available for \$11.50 (includes taxes, postage, and handling). Make all cheques and money orders payable to "Home Plan of the Week" and mail to: HOME PLAN OF THE WEEK, c/o The New Tanner, 336 Columbia Street, New Westminster, B.C.
