## The "New" Red Dog... July's Restaurant of the month

By ELAINE PETKOFF

Acton's own "New" Red Dog has been in business since March 1st, and has been a steady favourite of the locals, and visitors to the town, ever since.

Owned and operated by 10-year Acton residents David Parker and his wife Lauri Tothe-Parker, the restaurant features "pub grub" as well as daily specials, pasta specials and soup du jour. Other menu staples include salads, reasonably priced sand-

wiches, BIG burgers and, of course, the "New" Red Dog's famous wings.

Every Wednesday evening features live entertainment on the patio, and each Thursday night boasts 30¢ wings.

Lauri & David enjoy meeting and serving their customers. Lauri worked as a waitress for the previous owners and got a "feel" for what the Acton residents wanted. They strive to see that the restaurant is exactly that.

The community-minded Tothe-Parkers sponsored a

golf tournament at Acton meadows, July 7th, and raised nearly \$4000 for the Off-The-Wall Youth Centre.

The management and staff of the "New" Red Dog invite you to join in their official grand opening patio party, Saturday, August 12th at the Leathertown Festival.
