POLICE BEAT

Senior scammed
 An elderly rural Acton resident was "scammed" police said after he paid way too much money for a sub-standard paving job recently.
 "I just want to remind the public, when they get people offering deals for things, they should validate the prices with other companies before making a decision," cautioned Halton Police Detective Sergeant Jackie Gordon on Monday, adding people should ask for references and

LEGION NEWS BRANCH No. 197
 By Joyce Buchanan Secretary

Hi again,
 Well now the Exhibition has started that means school isn't far away, good for moms but not for the kids.

I must remind you about the Masters Golf and the chance to win a new Mazda sponsored by Guelph City Mazda if you get a hole-in-one, which will be specified.

Plans are underway for the Fall Fair, starting with breakfast, followed by the Parade with the Colour Party. If you don't want to go home, there will be entertainment with live music by Steve Dunn and Friends. We will have our first Patio Party, a BBQ from 4:00 - 9 or 10:00 p.m. Don't miss it, maybe Tony will plan some more parties for us.

I just knew someone would answer my plea, and it was the Ladies' Darts. The Acton Ladies' Industrial Dart League is having registration on Wednesday, September 5 and 12. We should be at the Branch at 7:30 p.m. both nights. The regular season will begin September 19 at 7:30. We will probably play draw doubles on both registration nights if there are enough girls out. We had a marvelous season last year and hope to see everyone back again this year. Bring a friend. New players are always welcome and no experience is necessary. We play every Wednesday night until around mid-April.

Please don't forget those members who are ill, and be sure to keep us informed. Remember there is always Bridge and Euchre during the week.

See you at the Branch.

names of other satisfied customers before signing any deal.
 "I'd hate to see another old person get stung ... we're talking five grand. He felt pressure to pay, and even though he wasn't pleased with the work, he felt basically coerced to taking this deal."
