Lions Club donates \$500 to aid U.S. bomb victims

Rockwood & District Lions Club will donate almost \$500 U.S. to the international efforts of Lions Clubs around the world to support those injured in the September 11th bombings in New York and

Washington, and their families.

"The club is donating \$20 U.S. on behalf of each of our 24 members," said club president Jim Nellis. "We see our contributions as a symbol of

the support that we know the whole Rockwood community wants to show for all of those in distress," Nellis continued. "We, as Lions, encourage and solicit donations from other groups, organizations, or individuals to this worthy cause."

Mr. Nellis pointed out that donations through the Lions Club could be made by mailing the donation payable to: "Rockwood & District Lions Club" at P.O. Box 162 in Rockwood. "As an alternative, I would be glad to pick up donations, and I can be contacted at: (519) 856-9650, or Fred Hawkins can be contacted at: (519) 856-4324. Our whole objective is to assist our community to show its support in a concrete positive way," concluded Mr. Nellis.

EWAG NEWS

EWAG is looking to fill two temporary computer-oriented job positions for our Rockwood and Erin offices. Candidates must be under 30 years of age, have strong Internet and Microsoft software knowledge and web page design interest. This position is for a 35 hour work-week for a maximum of 12 weeks. Please send résumés to the main EWAG office, attention Sue Lauch, 45 Main St. Erin. NOB 1T0 or sue.ewag@aztecnet.com. Erin fax number is 519-833-7563.

Details are not quite finalized but a tentative date for the Flu Clinic will be on Wednesday, November 7 at 10:00 a.m. at the Rockwood library. If you are interested, you must call the EWAG office and leave your name. Staff from the Public Health Unit need to know how many people to send out to help with this clinic. Please leave your name at the EWAG office if you plan on attending this Flu Clinic. The EWAG office number is 856-2113.

The Diners Club will be offering a lighter lunch on Tuesday, October 23. There will be either soup and sandwich or salad along with dessert and coffee and the price will be \$4.00. All seniors are welcome to attend but please call the EWAG office if you are coming from outside the Squires Lodge. Join us for our regular lunches on Tuesdays

Hurricanes Peewees...

Arron Alphonso. Garrett Noiles was named the game MVP, with goalie Chris Bragger playing a strong game.

In round robin play the Hurricanes won two games defeating Hamilton 2 to 1 and Detroit Compuware 3 to 1, and tied the third game against Sault Ste. Marie by a score of 3 to 3 to capture the division.

Goal scorers in the Hamilton game were Garrett Noiles and Arron Alphonso, with assists going to Scott Maurice, Jeff Bayley, Michael Kosziwka and Daniel Woolford. Arron Alphonso was named the game MVP.

Erik Vos scored all three goals against Detroit

Compuware, with assists going to Sean Dowell, Michael Kosziwka, Jason St. Jean, Tyler Mulcahy and Marlock Bobechko. Erik Vos was named the game MVP.

Goal going to Garrett Noiles, Jason St. Jean, Matthew Price (2), Michael Kosziwka and Chris Darling. Goalie Jonathan Sousa (Caledon) was named the game MVP.

The Peewee Hurricanes who are undefeated in South Central AAA League play with 3 wins and 1 tie have tallied 16 wins against 3 losses and 2 ties, while averaging 4.3 goals for per game and 1.95 goals against per game so far this season.

Minor Novices...

and by the return to the blue-line of veteran Chris Chiasson, with Cameron Carr moving up to take his place on the first line.

Nicholas Eagan continued his goal scoring streak. He has

scored in each of the last three games to lead the team with five goals.

Coach Chiasson shortened his bench in the third period, and pulled goalie Jesse Harris in the last minute, but Acton could not get the equalizer.

Naturopathic clinic to open on Saturday

Sussanna Czeranko, ND celebrates the opening of a most unique naturopathic medical clinic this Saturday. Specializing in hydrotherapy, Dr. Czeranko's clinic offers a full spectrum of naturopathic health care for the whole family. Her brand new clinic is in an idyllic setting and provides treatments for chronic illnesses, acute illnesses, women's conditions and much more.

Sussanna is a graduate of the Canadian College of Naturopathic Medicine, Canada's only accredited post-graduate medical institution providing training for

naturopathic doctors. Naturopathic doctors are registered in the province of Ontario to practise the safe, centuries old therapies of the natural healer: *hydrotherapy, homeopathic medicine, botanical (herbal) medicine, clinical nutrition, lifestyle counselling, body centred therapy, Bowen Therapy, and acupuncture.*

"Since 1994 when I completed my provincial Board exams and began practising, I always dreamed of building a country clinic," says Sussanna. "*Clinic in the Woods* is now a reality. I offer my patients a blend of tradi-

tional and modern naturopathic therapies in a unique, tranquil forest setting."

Naturopathic medicine is becoming more widely known in Canada. Focusing on prevention, and combining scientific knowledge with traditional healing wisdom, naturopathic doctors (NDs) support and stimulate the body's ability to heal itself.

Sussanna and her family chose Halton Hills because of the lifestyle opportunities in the region and the opportunity to make a difference in the wellness of the communities her clinic will serve.

The grand opening of Clinic in the Woods is scheduled for 11 a.m. to 3 p.m., Saturday, October 13. Mayors Kathy Gastle and Rod Finnie will cut the ribbon at 1:30. Dr. Czeranko invites the whole family.

The clinic is located at 5330 Fourth Line, Erin, just south of Denny's Bus Lines off Regional Road 124 (formerly Hwy 24).

Firefighters to rescue

Twenty Halton Hills firefighters, members of the fire department's Technical Rescue Team, will hone their rescue skills this weekend during remote high-angle rescue training exercises.

In one scenario, firefight-

ers, including approximately 10 from the Acton fire station, would use a new rescue basket to practise removing injured workers from elevated, inaccessible locations, like industrial or agricultural silos.

Firearms

Continuing with our theme on safe storage, transport and display of firearms.

Antique Firearms

Some Acton residents possess old firearms, perhaps handed down from one generation to the next. It's important to note that not all old firearms are classified as antique. For the purposes of the *Firearms Act* and regulations, antique firearms include:

- Firearms manufactured before 1898 that were not designed or re-designed to fire rim-fire or centre-fire ammunition, or
- Firearms prescribed as antique in the *Criminal Code* regulations.

Antique firearms must be unloaded for storage, display and transportation. During transport, antique handguns must be locked in a heavy-duty container that you cannot see through and that cannot easily break open during transport. If you are leaving an antique firearm in an unattended vehicle:

- 1) Lock it in the trunk or similar lockable compartment.
- 2) If the vehicle does not have a trunk or compartment that can be locked, put it out of sight inside the vehicle and lock the vehicle.

Replica Firearms

You should store and display replica firearms safely to prevent loss and theft. During transport, replica firearms must be locked in the trunk or a similar lockable compartment.

If the vehicle does not have a trunk or similar lockable compartment, replica firearms must be out of sight inside the vehicle, and the vehicle must be locked.

For more information:

Call 1 800 731-4000 or check on the internet site www.cfc.gc.ca.

Ministry of Natural Resources 1 905 713-7400

A final reminder:

Think safety, safety, safety. Comply with all rules and regulations. Be aware of local firearms prohibited, and firearms restricted zones.

Obtain written permission before entering another person's property. Do not trespass. Leave things the way you find them, and enjoy the day.
