OPP spells out parking laws

OPP spells out parking regulations in Wellington. Over the next few weeks, Wellington OPP will inform members of the public about parking regulations throughout the County of Wellington.

Some parking infractions require that signs be posted to inform the driver of a motor vehicle that he/she is not allowed to park in a particular location. Other offences do not require any notice, as it would be impractical to post signs at each and every location for a particular offence.

A violation of a parking by-law may result in a ticket being issued where the penalty is a monetary fine. If you fail to pay the fine, it is then added to the cost of renewing your validation sticker for the permit of your motor vehicle. The Police also have the authority to tow any motor vehicle violating a parking by-law and impound it. The cost of the towing and storage becomes the responsibility of the driver/owner of the motor vehicle.

Did you know that it is an offence to:

- 1) Park a vehicle on a highway less than one metre from either edge of the roadway.
- 2) Park a vehicle on a highway in such a manner as to obstruct or prevent the entry into a driveway (unless it is your own).
- 3) Park a vehicle on a highway within three metres of a fire hydrant.
- 4) Park on a highway, parking lot or private property in a designated fire route.
- 5) Park a vehicle on a highway with its left wheels parallel to the curb or shoulder of the roadway.
- 6) Park a vehicle on a sidewalk.

ADVENT SERVICE: All churches of Acton were represented at a traditional Advent service of lessons and carols at Bethel Church, Sunday.

MANY MEDLEYS: Acton Citizens' Band with Bandmaster George Elliott directing, played for Seniors at the Legion/Rotary dinner for Seniors. Their wide repertoire had music for the season and some new wrinkles for everyone's taste.
