Minor Bantams edge Orangeville

by KATHRINE CECCOTTI

Acton Minor Bantam Tanners met Orangeville at Teen Ranch on Saturday and chalked up a 2-1 win.

Scoreless in the first period, Acton played hard and with 13:05 left on the clock in the second Matt Bronizewski scored the first goal of the game, assisted by Greg Black and Brendon Pezzack. However, with 8:09 left in the third period Orangeville tied the game at 1-1.

The Tanners weren't satisfied and, with just 3:51 left in the game, Patrick Collins

sent a beautiful pass to Brandon Ceccotti. Brandon took the puck from the blue line, and sent it home, making it a 2-1 win for Acton.

Simon Sharples played sensationally in goal and all the Minor Bantams' worked hard for the win.

Aqua Ducks do well at Newmarket

The Acton Aqua Ducks along with 14 other Central Ontario swim clubs landed in Newmarket for a two-day competition recently.

Competing against larger clubs from much larger centres is exactly what the doctor ordered, according to coach Gerry Ockenden.

The club has always performed well in Newmarket. They like the temperature of the water there as well as the facility itself.

The Aqua Ducks scored some points and as always the most important thing is the achievement of the new faster times. The kids raced hard and overall had another successful weekend.

"Home of the Week" - Your Building Experts

Side-Entry Plan
 This charming two-storey design is the ideal house for empty-nesters or for those just starting out with home ownership.

With 1,500 square feet of floor space, the size is just right for comfortable day-to-day living and for easy manageability. An unfinished basement offers additional storage space as well as the opportunity for future expansion, if desired.

Feature windows and stonework at the entrance add to the inviting ambience of the exterior.

The covered entrance leads into the foyer, where half-walls open up the view into the great room and through the windows overlooking the back garden. The great room also encompasses a good-sized kitchen and breakfast area, making one large, open space to enjoy everyday living activities.

The kitchen includes a walk-in pantry, a phone desk and a central work island and the breakfast area fits into an attractive bay window with a door opening to steps down to the back garden.

A gas fireplace in the great room is centrally placed along the side wall and can be seen and enjoyed throughout this living area.

A laundry room with direct access from the garage, a two-piece powder room and a broom cupboard complete the main floor.

Upstairs is the sleeping floor, with three bedrooms. These give empty nesters plenty of options for use as bonus or guest

rooms and young couples room to expand as the family grows in size.

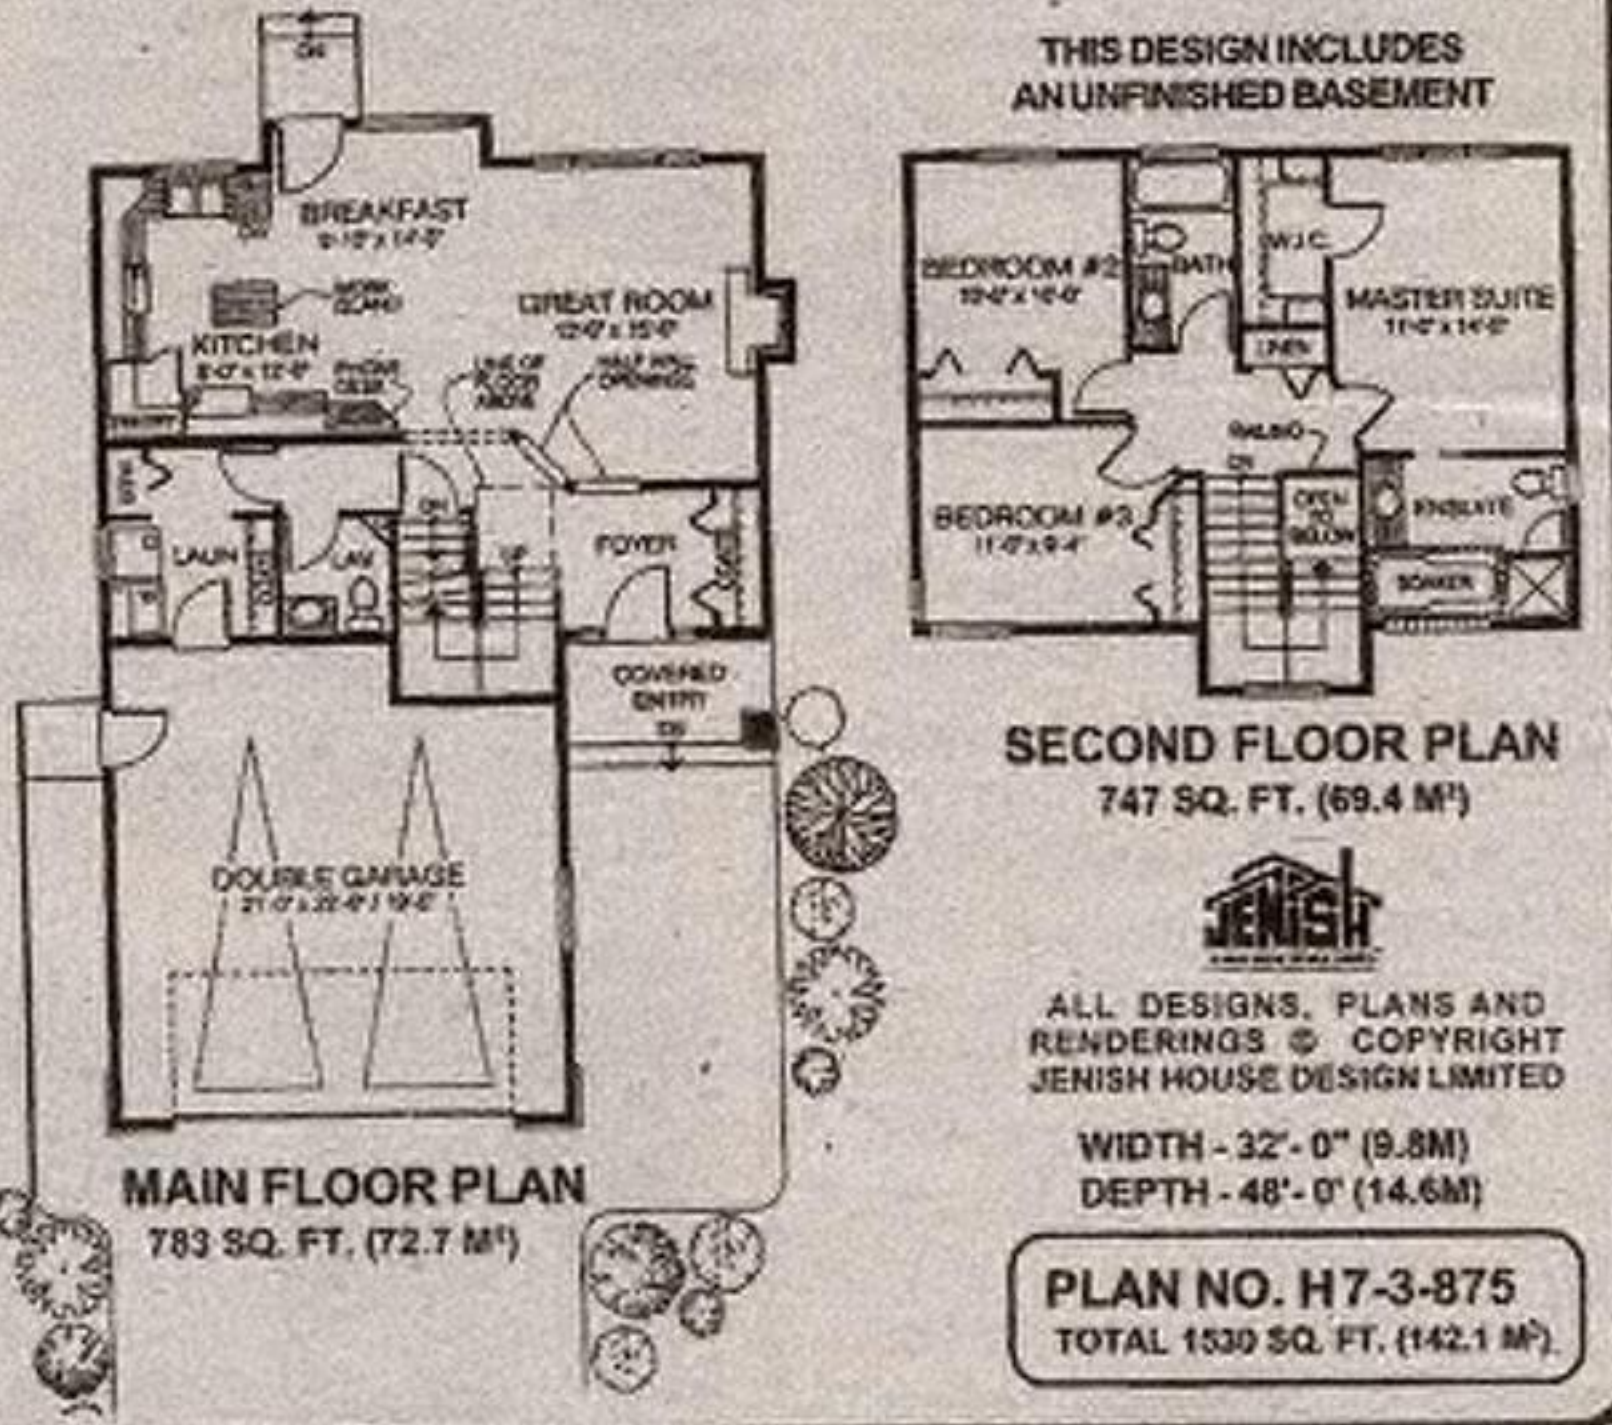

The master suite comes with a walk-in closet and four-piece en suite bathroom including a separate shower and a soaker tub.

Bedrooms two and three, at the rear and front of the house respectively, share a three-piece bathroom.

The house is 32 feet wide and 48 feet deep with 1,530 square feet of living space and an unfinished basement.

Plans for design H7-3-875 are available for \$414 (set of 5), \$480 (set of 8), and \$530 for a super set of 10. Add \$25.00 for Priority courier charges. Please also add 7% G.S.T. to both the plan price and postage charges.
