Aqua ducks meet Santa Claus after Georgetown swim meet

Continued from Page 16.

So when your kids come home tonight, remember to ask them what they did or encourage them to get involved in one of the many activities being offered by our staff. There is something for everybody. As we take a breath before the rush of the Christmas season let's remember what a great school MSB is - and that everybody's involvement not only makes it a better place to be, but most importantly, it makes a difference for our kids.

The Acton Aqua Ducks Swim Club did not quite make it to the North Pole however they were lucky enough to have the jolly old fellow Santa Claus visit them at their Christmas festivities. Santa had a few moments to admire all the awards the swimmers had won at the Georgetown Christmas Invitational Swim Meet.

Assistant Head Coach Julie Wilson had the pleasure of telling Santa how pleased she was with the performance of the whole team. She commented, not only did the swimmers do well they always have a fun time at this meet every year.
