Acton Rotary Club sends \$2,000 for solar ovens

Members of Acton rotary Club voted to contribute \$2,000 towards an international rotary project to provide large solar cooking ovens to help feed refugees in and around Afghanistan.

While there are many needs in the war-torn country the need for food and a

way to cook it is essential and the solar ovens will each cook over 1,000 meals a day. They are powered by the sun.

The first oven was shipped in November and the Rotarians hope to send five more by the end of the year. It is estimated these

five ovens will cook over 6,000 meals a day.

The ovens have a 20-year life and will be used to create small bakeries for widows' co-ops when they are no longer needed for large-scale efforts. Cost of five ovens and cooking utensils, plus shipping, is \$57,000.

"Home of the Week" ~ Your Building Experts

Straight-Entry Design

This ranch-style charmer is sure to interest young couples ready to buy their first home.

Along with more than 1,100 square feet of floor space, the plan includes an unfinished basement for future expansion.

Vertical siding and a raised, pillared entrance give an instant appeal to the exterior.

An open foyer takes in the large living room, which is enhanced by a windowsill overlooking the front garden and a gas fireplace on the side wall.

The kitchen and breakfast room are at the rear of the house, with a door that opens out to a good-sized sun deck - large enough to enjoy outdoor meals during the summer.

A walk-in pantry and plenty of countertop space will help to streamline preparation of meals.

The sleeping wing on the other side of the house includes the master suite with a three-piece ensuite bathroom and two additional bedrooms which share the three-piece main bathroom.

Linen, broom and coat cupboards offer generous storage space.

The house is 42 feet wide and 50 feet deep with 1,176 square feet of storage space and an

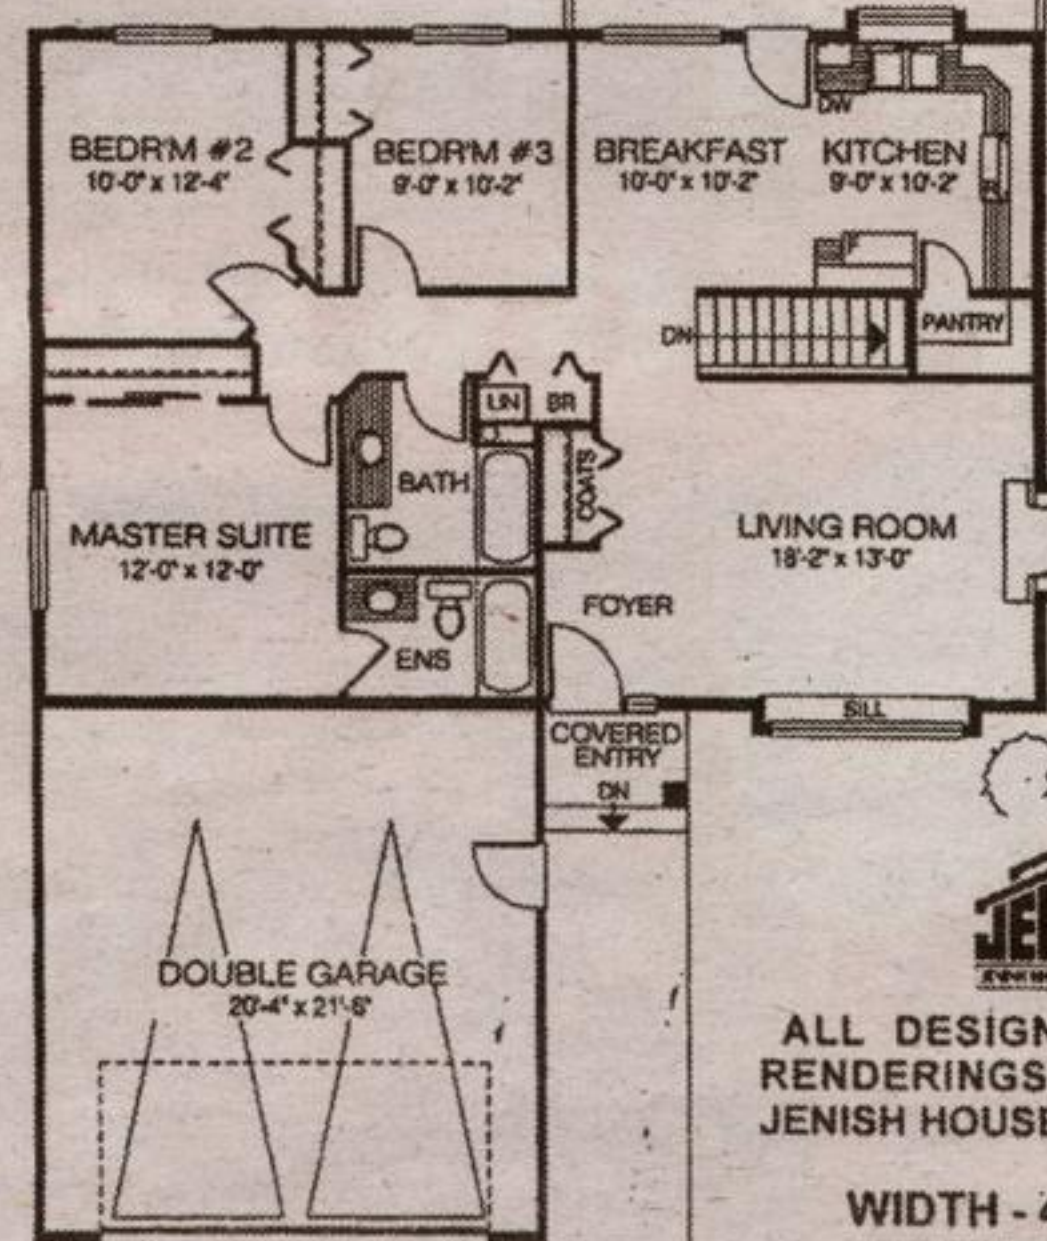

unfinished basement.

Plans for design H1-3-563 are available for \$356 (set of 5), \$422 (set of 8), and \$464 for a super set of 10. Add \$25.00 for Priority courier charges. Please also add 7% G.S.T. to both the plan price and postage charges.
