Skating, fishing at CV Park

Credit Valley Conservation and its partners are announcing changes to their winter programs due to recent weather conditions and operational changes.

Island Lake will opened last weekend, Friday, January 18, 2002, for ice fishing and skating.

Auguring, ice fishing hut rentals and other services will be available.

CVC and its partner, Terra Nova Nature Centre Incorporated, will not be operating a cross-country ski program during the winter of 2001-02. In the past, they have offered machine-groomed ski trails and weekend ski rentals, as well as access to the heated outdoor education centre and its washroom facilities.

However, the Conservation Area offers visitors 12 kilometers of marked trails, with maps available at the gatehouse. Washroom facilities consist of a Johnnie-on-the-spot located at the entrance.
