for the Junior Youth (age 9-11) at Off the Wall on Wednesday Sept 11th. Brighten up your life by making tea light candle holders. Please bring in a tin can to design and make your own candle holder. On Thursday Sept 12, Senior Youth (age 12-19) are invited to a "Back to School" Chat. Topics will include adjusting to

change, new teachers and peer relationships. Watch for details on our Farewell Summer Celebration at the end of the month!
Children Early Years Centres

The Acton, Georgetown and Glen Williams Satellites of the Ontario Early Years Centre, North Halton will be open for Adult and Child Together (Drop-In) beginning Monday, September 9, 2002. Registration for Mother Goose, Networking Together, and Shimmy & Shake will take place during all Adult and Child

Together hours at all locations from September 16-20, 2002. Evening Registration in Georgetown on Wednesday, September 18 from 7-8:30pm. For more information on any of these programs, please call 905-873-2960.

HHCSI needs volunteers

Could you spend a few hours a week visiting a senior? There are isolated seniors in both Georgetown and Acton who would enjoy conversation and companionship. At the present time, there are seniors who would enjoy a visit in their homes while there are others who would enjoy some assistance with a shopping trip or an outing once a week. For those who like to have fun and work with others, volunteers are needed to assist with special events or fundraising activities, which benefit our various services. Please call Marlene at 905-873-6502 if you are interested in any of our volunteer positions.

Seniors Maintenance Help for Seniors

Seniors can receive help with raking leaves & yard maintenance, seasonal housecleaning, painting and other home repairs by calling the Home Maintenance Program. These services are provided by qualified individuals at an affordable cost. Please call Rebecca (519) 853-3310 (Acton) or Kim (905-) 873-6502 (Georgetown).

BRANCH 197 LEGION NEWS
 By Joyce Buchanan
 President

Hi again;
 This has been a beautiful week weatherwise, and the kids seem to be happy back to school.

The Branch was a very busy place this weekend. We had the Masters Golf Tournament having a BBQ, an 80th birthday party in another room, and a wedding in the Main Hall, then on Sunday we entertained 30 Sunnybrook Vets and some of their family members, a total of forty-six. They arrived around 11am and we entertained them and served them dinner before they had to leave at 3:00pm.

Many thanks to Branch and Auxiliary members who gave their time to help with the Vets; they certainly do look forward to visiting our Branch. Thank you all once again.

These are the times we really need some help from those of you who are members in name

only. My executive was not quite as responsive with items for a newsletter, so it is postponed for a week or two.

Now, this weekend being Fall Fair we need carriers for the colours, also some to parade. Branch activities include Midtown on the Patio, Saturday from 5:00pm till 10:00. Sunday the 15th is the Fall Fair Breakfast from 7:00am till 11:00am, plan on visiting us. The Elimination Draw and Dance will be Oct. 11, 2002 at 8:00pm.

I will be attending the Halton Region meeting on Thursday, to find out more about the Dedication of Veterans' Way on Sunday, Oct. 20, 2002, which will conclude at Branch 197. Please make a note of these dates.

Ladies' Darts and Men's Crib are still open for new players. Please remember those members who are ill. There is still Bridge and Euchre during the week.

See you at the Branch.

Attention All Drivers

The school year is getting underway and that means School buses will once again be travelling on our highways and byways.

No matter what route you travel, you are likely to meet-up with a school bus.

The Highway Traffic Act of Ontario sets out the rules of the road, in relation to School Buses and duties of motorists.

Section 175(12) H.T.A. basically states; Every driver, when meeting on a highway, a stopped school bus that has it's over head red signal lights flashing, shall stop before reaching the school bus and shall not proceed until the overhead red signal lights have stopped flashing.

Every driver on a highway, when approaching from the rear of a stopped school bus that has it's overhead red signals flashing shall stop at least 20 metres before reaching the bus and shall not proceed until the overhead red signal -lights have stopped flashing.

The above rules apply 24 hours a day on all roadways. The only exception would be, a highway divided by a median strip (there are no such highways around Acton).

The rules are pretty straightforward and they are for everyone's safety. Please take the time to be a responsible driver, so everyone arrives safely at their destination.

Thank you.
