

Father, son take to the road to raise awareness for diabetes

Halton Regional Chairman Joyce Savoline presented a cheque for \$1,140 recently to the Winegarden Foundation in support of the Canadian Diabetes Association and the Juvenile Diabetes Research Foundation. Mark Winegarden and Halton paramedic Craig McCleary were on hand for the presentation.

The funds were raised through the efforts of Halton Region paramedics, coordinated by McCleary. McCleary's goal to raise over one thousand dollars was supported by donations from Halton Region employees and the public.

On July 27, 2002, Halton Region's Emergency Medical Services (EMS) Bike Medic team greeted Ontario paramedic Mark Winegarden and his 13 year old son Adam in Burlington, as they were cycling through Halton on their way to completing a cross Canada tour. Mr. Winegarden, who has Type 2 Diabetes, and his son, set out on a cross Canada tour in May, 2002 to raise awareness and funds in support of the Canadian Diabetes Association and the Juvenile Diabetes Research Foundation.

are very proud of the commitment our employees give to local charities," said Savoline. "Halton paramedics led the fundraising efforts in the community and our employees stepped up to provide support for this very worthy cause."

The Acton IGA was also an integral part of Halton's efforts to raise

funds for the Winegarden foundation. The store, with donations from local

customers raised over \$400 towards Halton Region's fundraising efforts.

The Elimination draw is definitely being held on Friday, October 11 at 8:00pm. I put the wrong date in last weeks column. Sorry! Also there is a Fish Fry the same day, October 11, from 5-7pm. The cost is \$5 per person so come down and enjoy.

Sunday, October 20 is the ceremony for the dedication of the Veterans Highway. The ceremony begins approximately at 2:30pm, after a visit to Allendale by the Legion officials. This is open to the public so everyone is welcome to attend.

Sadly again another comrade has passed away. Our deepest sympathies go to the family of John Esplin. Much appreciation to the members from our Branch who attended John's funeral in Guelph.

To those who are in the hospital and the people sick at home, have a speedy recovery. You are all in our thoughts. See you at the Branch.
