## You can save the future of Halton Hills VOTE JOHN DAY FOR MAYOR

"As I make my rounds among the residents of Halton Hills, one message comes back to me loud and clear. Most citizens are alarmed at the type of growth, the shortage of resources to sustain this growth and the fear that our community may soon come under the crunching advance of urban sprawl.

"I want you to know that as Mayor, I will work very hard to build our Town's future around people, the environment, protecting all the things we love about Halton Hills and our collective prosperity.

"It's called Intelligent Growth. Please read about it on my website or call me."

To read about John Day's 8 Point Platform, visit [www.johnday.ca](http://www.johnday.ca) or [www.johnday.ca2.ca](http://www.johnday.ca2.ca) or call 905 877 7083 for a copy.

He answers to you...and only you

John Day is committed to protecting the features that make Halton Hills unique among GTA communities. His experience as a dedicated Councillor for 9 years and 17 years in municipal administration in the City of Mississauga has trained him to be the ideal Mayor of the future...a People's Mayor... a Mayor who will put our Town's well-being FIRST. And John Day is one candidate who has refused to take any campaign contribution from vested corporate or special interests. That means his obligation is to us - the people of Halton Hills.

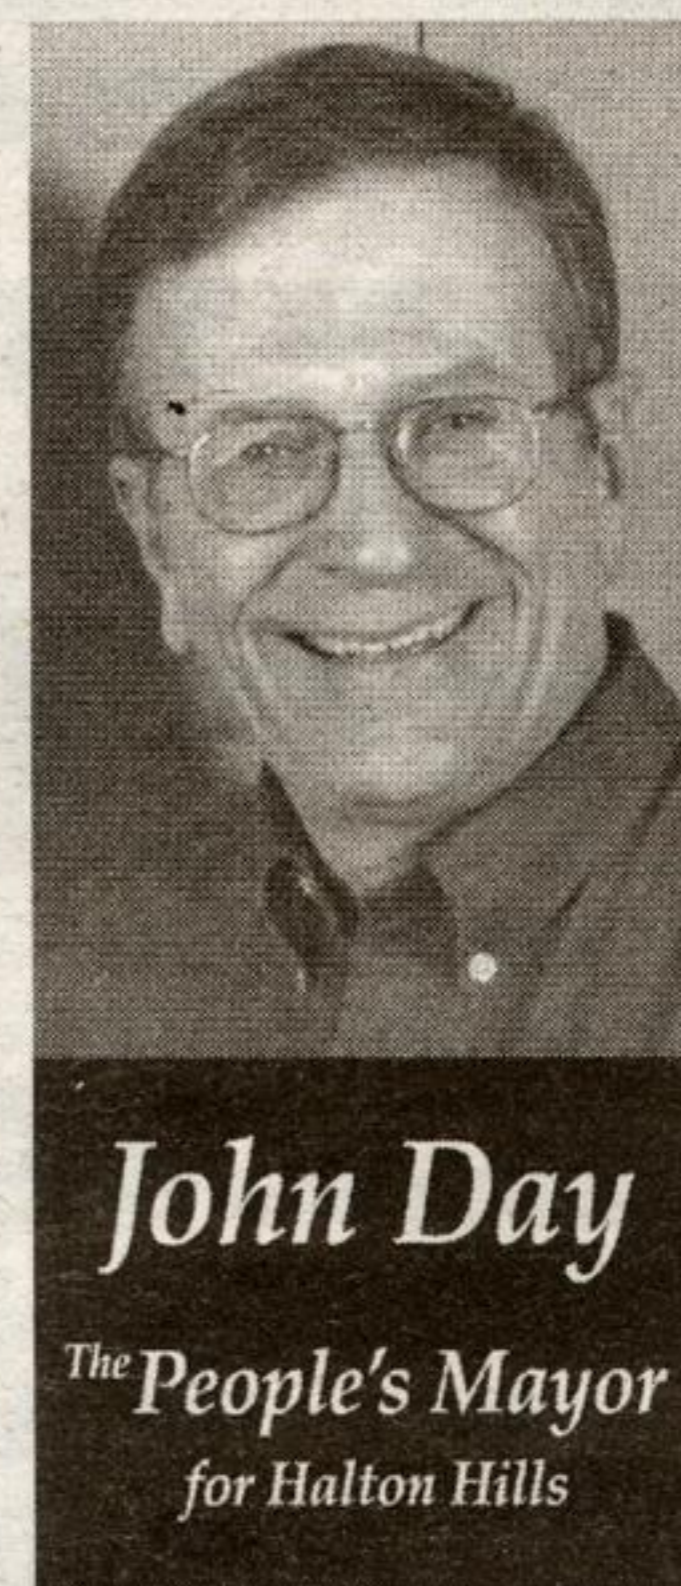

If you want Halton Hills to turn into the jewel of the GTA, vote John Day for Mayor on Nov 10.

"For some time now, I've been an unabashed 'John Day' fan. I'm absolutely delighted that he has decided to run for Mayor. He will truly be the People's Mayor. I've been very involved in community affairs for a number of years, and whether I was trying to save ravines from developers or fighting to get much needed soccer fields, John seemed to be the only one on the Council that was listening. In fact, John was the only one to contact me to offer advice and ask how he could help our cause."
