Bayfield grading problems unresolved

BY MAGGIE PETRUSHEVSKY

Some Acton residents living in new houses built by Bayfield Homes are still not getting their grading problems resolved. Representatives of the group, Perry, Stuckless and Judy Spear told councillors they want a solution that will give them the maximum usable backyards. Other solutions the developer has attempted were done without either consultation or information to the affected homes' owners. They have proven ineffective.

The retaining walls Bayfield built to support the inappropriately graded yards are unsafe and must be replaced, Stuckless said.

Both speakers complained that residents are not being kept informed of efforts to correct the problems they have been battling for the past two years. At the insistence of Coun. Bryan Lewis, Spear and Stuckless will be included in a meeting between Bayfield representatives and town staff on Wednesday.

BRANCH 197 LEGION NEWS

The two most important events in your Legion calendar are taking place in the next five days. The Remembrance Parade and service on Saturday, Nov. 8, followed by the dinner, is the demonstration by Legionnaires that "WE DO REMEMBER THEM", and you could say that the Service at the 11th hour, on the 11th day of the 11th month is our affirmation that we will continue to "REMEMBER THEM."

I must remind you of the deadline for ensuring your child's name is on the list for the children's Christmas Party is Nov. 10 Please check the board in the branch to be sure that your child if qualified, is on the list.
