## Two clubs involved in Seniors Dinner

To the Editor,

We appreciate your coverage of the Seniors' Christmas Dinner. However, we need to recognize that this is a joint effort by our Royal Canadian Legion and the Rotary Club of Acton. The members of Branch 197 provide the hall, order the food, prepare and cook the meal and once everyone leaves they remain to clean up and wash the dishes. When one considers that 300 seniors were fed a complete turkey dinner with all the trimmings, one realizes the enormous contribution made by our Legion members. As an active member of both the

Legion and Rotary, who served on the joint organizing committee for this event, I am extremely conscious of and sensitive to the unrecognized contribution of my Legion comrades. In closing, I would point out that as well as providing a festive evening for our seniors – my comrades at the Legion and my fellow Rotarians presented the Salvation Army with cheques in the amount of \$300 each. This \$600 contribution will be used for this year's Christmas Hamper Program.

Yours very truly,  
Peter Van Dam

## Halton students take centre stage

Halton District School Board students took centre stage Tuesday evening at the second annual drama event, Creating a Scene at the Living Arts Centre in Mississauga. Creating a Scene is a showcase of dramatic performances by students representing 23 schools and nearly 500 students from Grades 6 to graduation.
