PeeWee 'A' Tanners fashion convincing victories over Oakville and Brampton

Coach Scott Malcolm told his players that with a consistent work ethic they would, by the end of the season, be able to beat the large centre teams in their league and be guaranteed a winning result against Brampton. True to his word, the Acton Tanners Heartland Shipping Supplies PeeWee 'A' team finished their 2003-2004 regular season with convincing victories over both Oakville and Brampton.

In their 6-4 victory over Oakville on Saturday night, the Tanners were led by Jessy Kuenzig who scored three goals. Linemates Brandyn McCarthy and Bradley Kri each notched singles, with Kri adding three assists and McCarthy two to complete a nine point night for the line. Scott Weber, a leading candidate for the most improved player on the Tanners' squad this year, scored the other goal.

Kuenzig's opening effort was a goal of delicious skill as the centreman showed great patience in

waiting for the Oakville goaltender to commit before he deftly guided the puck between his legs. However, it was his second goal at the 5:31 mark of the third period that was most significant as it came but 10 seconds after Oakville had tied the score 4-4.

This decisive response by the Tanners took the wind out of the sails of the visitors, who were unable to mount a consistent attack thereafter. Their fate was sealed when Kuenzig notched his third goal into an empty Oakville net with 20 seconds remaining.

Joss Warren was a standout in goal, registering the victory, especially in the first period when Oakville controlled the play and could have easily expanded upon an early 2-0 lead. The victory against Oakville gave the Tanners a 2-1 victory in the season series.

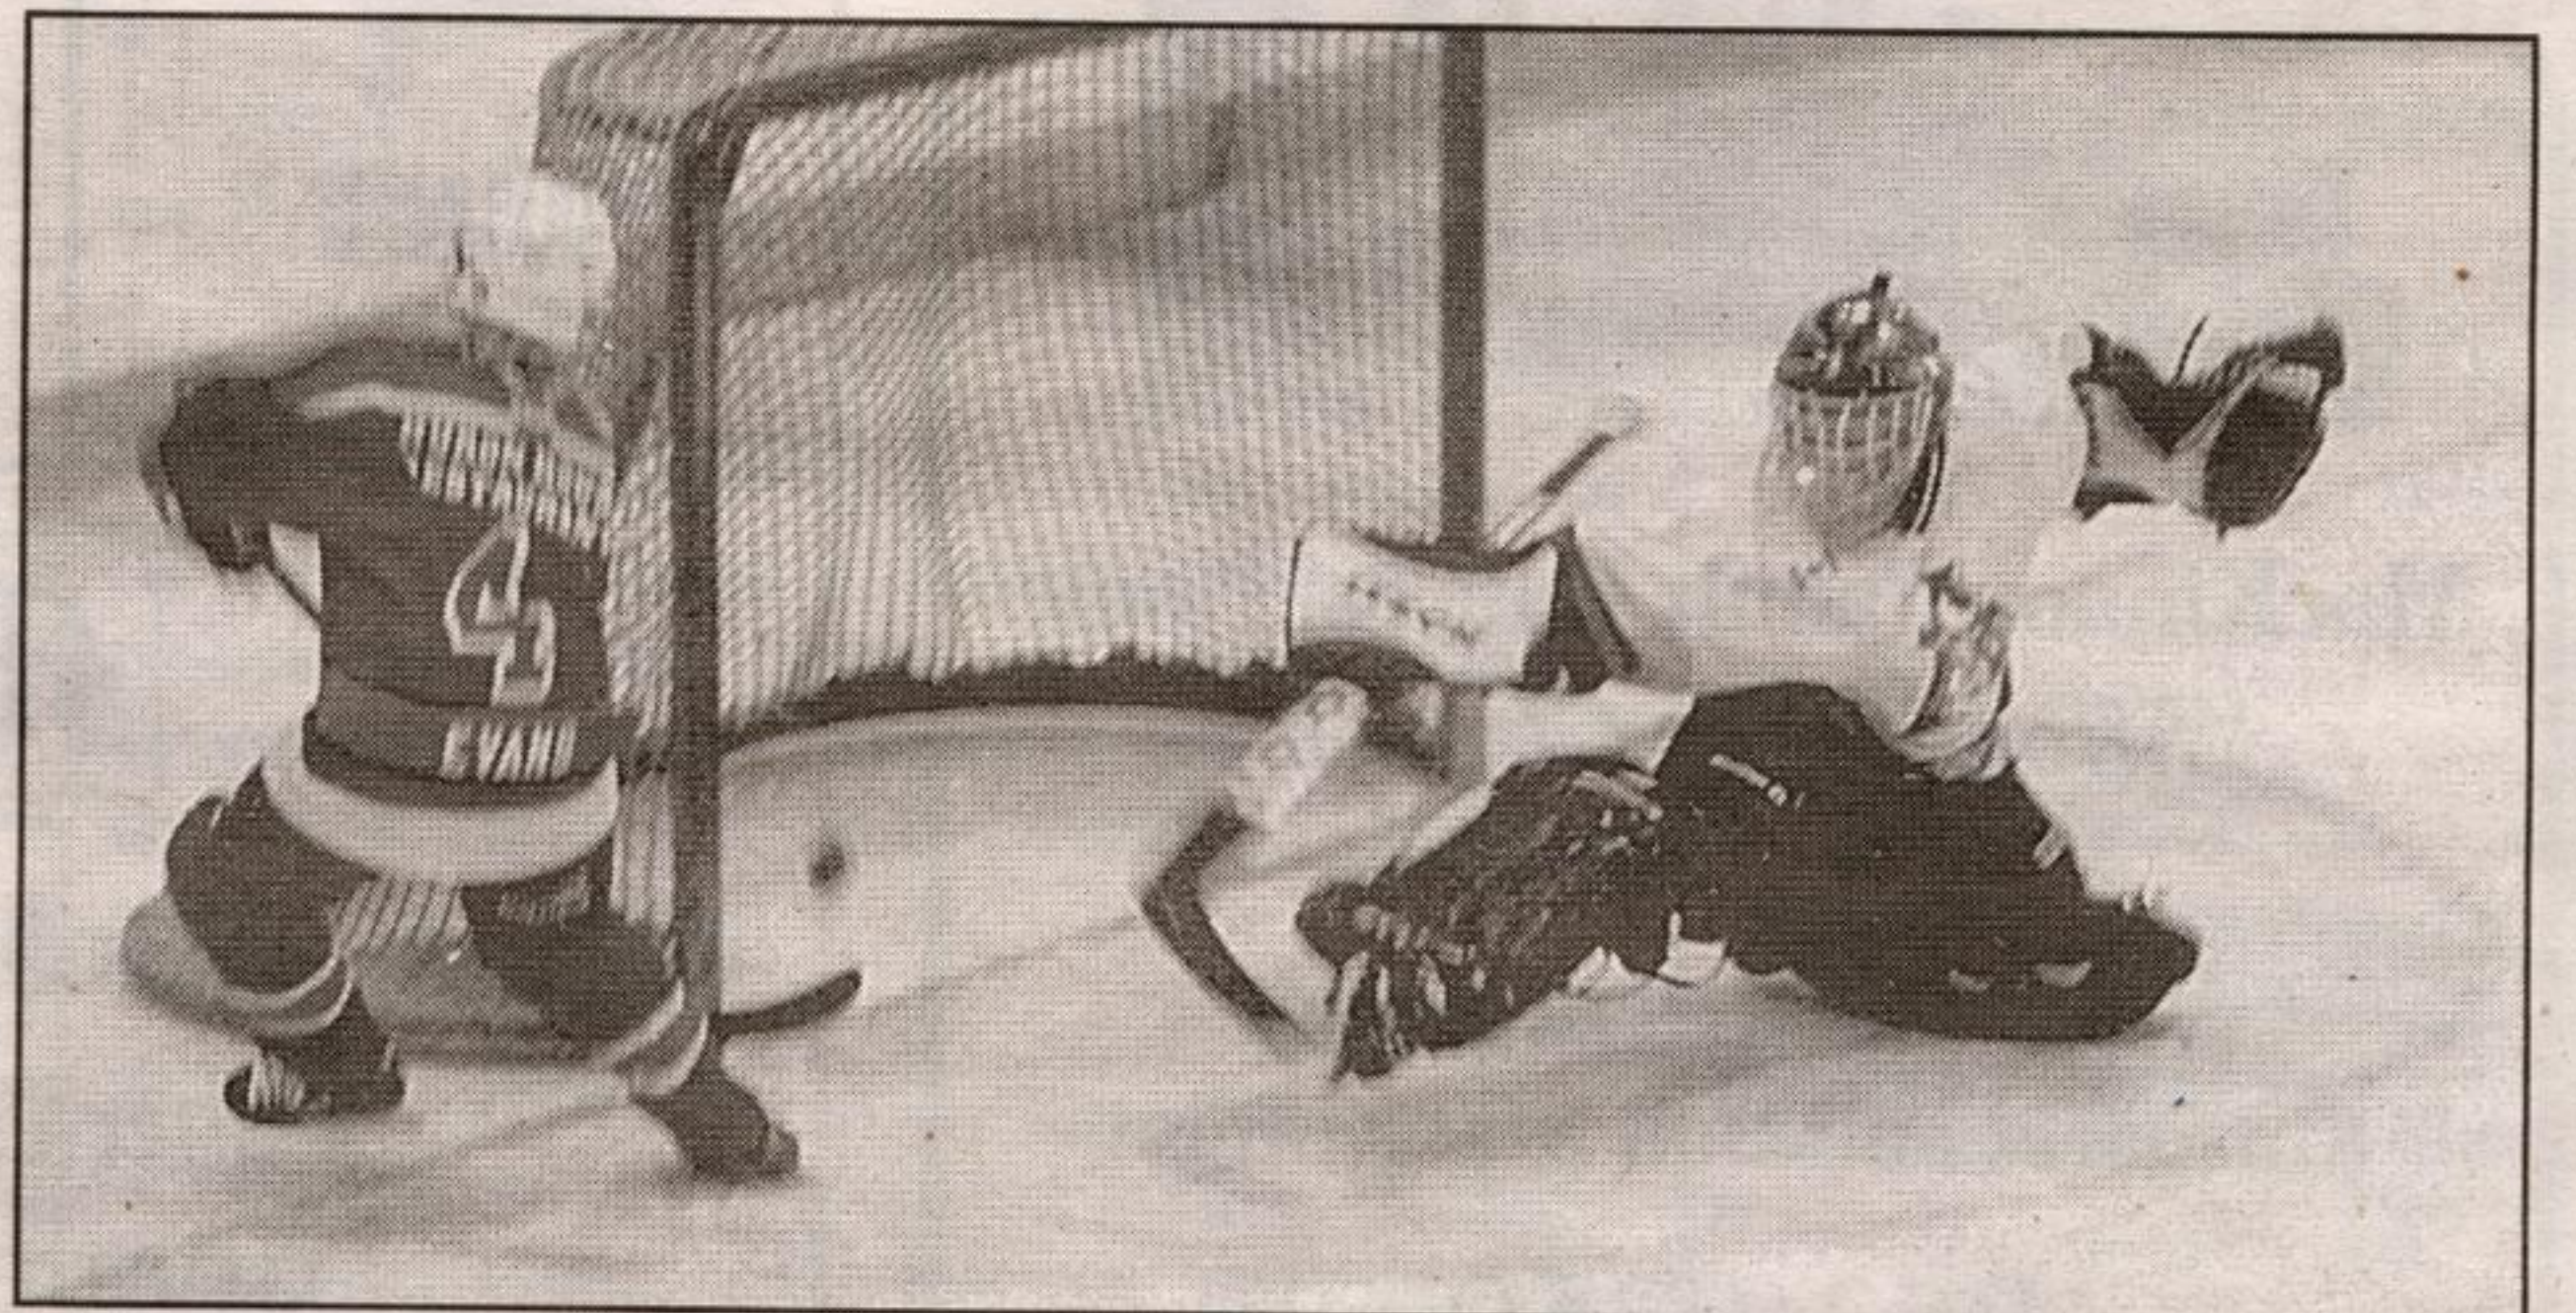

In Sunday afternoon's 3-1 victory over Brampton, Acton put in an even more comprehensive effort. The Tanners were superior in

every facet of the game offensively, defensively and in goal. The defence, which at times struggled against Oakville the night before, was superb against the larger and more physical visitors with the five man defensive unit of David Tysoe, Scot Hofland, David Elop, Liam Robertson and Taylor McNabb exhibiting tremendous composure and confidence in their own end.

The Tanners' scoring was handled by Riley McGilloway, Dylan Creasey and McCarthy all putting in particularly feisty performances, breaking up several Brampton rushes in the visitors' own end.

Warren again took the victory in goal, making several outstanding saves particularly in the second period when the Tanners were awarded three straight penalties.

At the time of writing, the Tanners were awaiting word as to who their first opponent will be in the OMHA playoffs.

Acton Atoms place fourth in 16 team Elora tourney

Acton Atom BB Proplastex hockey team travelled this past weekend to participate in the annual Elora Atom Tournament. The boys placed fourth out of 16 teams and played very well.

In the first game against Kitchener the boys handily won 7-1. Acton fell to a strong West London team in the second match 6-1. Acton needed a win in the third game to advance to the Consolation

Championship and romped over Woodstock 9-1.

Dylan Agnew got the Charlie Hustle Award in this game for his hard working play.

It was Acton against Ingersoll for the consolation championship. With only a minute left in the third period Acton tied the game up 3-3 to force overtime. Only
