

THE NEW TANNER - 853-0051

Suffer from Constipation?

Stomach Ease is an herbal formula that acts as a gentle laxative, to ease intestinal discomfort and bring safe relief from constipation. Only 100% natural ingredients are used in the formula; there are no artificial flavours, colours or preservatives used.

Stomach Ease formula is a combination of seven herbs; Senna, Cascara Sagrada, Juniper Berries, Licorice

Root, Rhubarb Root, Buchu Leaves and Gentian Root. These herbs were specially selected for properties such as creating peristalsis, restoring tone to the colon, stimulating secretions of the liver, pancreas and stomach, acting as a purgative or tonic. Because of the balance of the herbs and their gentle action, relief from constipation is achieved without irritation.

Celebrating heritage

HERITAGE WEEK QUIZ CONTEST

Ontario's heritage is celebrated every February and the Esquesing Historical Society offers this "military heritage quiz" as part of the celebration in Halton Hills. The most complete entries will enter a draw.

Three prizes will be awarded: 1- A year's membership in the EHS with newsletters. 2 - Your choice of one free publication of the EHS. 3 - A 50 per cent discount on your choice of publication.

Winners will be drawn at the March meeting. Prizes must be claimed by June 2004.

Your Name : _____
Telephone: _____

1. Identify the Esquesing Village where each of the following Volunteer Militia Companies of Infantry were formed:

a) Captain John Murray formed 1863; b) Captain James Young formed 1863; c) Captain Joseph Kyle formed 1863; d) Captain William Allan formed 1866.

2. What is the present claim to fame of the Acton Drill Shed?

3. Name three Halton Hills communities which have a cenotaph.

4. What is the Branch number of the Acton and Georgetown Royal Canadian Legions?

5. Name a building in Halton Hills which is dedicated as a Memorial to war dead.

6. Put these six Regimental labels in chronological order: Halton Militia, The Lome Scots (Peel, Dufferin & Halton Regiment), The Lome Rifles (Scottish), 20th Halton Battalion of Rifles, 164th (Halton and Dufferin) Battalion, The Halton Rifles.

Entries should be sent to: The Esquesing Historical Society, Esquesing Historical Society, P.O. Box 51, Georgetown, Ontario L7G 4T1.

Kay Hart celebrates 90

BY ELLEN PEIHL
The New Tanner

Friends and family gathered together on Sunday at Trinity United Church to celebrate Catharine (Kay) Hart's 90th birthday.

Catharine Hotchless was born on February 16, 1914 to Charles and Barbara Jean Hotchless and grew up in a family of eight children in Little Rapids, Ontario. In 1942, she married Robert Hart in Toronto. The couple moved to Acton in 1956 and Kay worked at Georgetown hospital for many years.

During her retirement years, Kay has decorated cakes. "People came from far and wide to have their cakes decorated," she says.

Over the years, Kay and Bob had two children, five grandchildren and four great grandchildren. Being married to Bob and having a family were the highlights of her life, Kay says. She says the secret of living this long is to eat sensibly. Kay also had some advice for the young people out there. "Go to church and keep in touch with family." She says. Kay has been a widow for quite a few years now and lives at the seniors complex on Elizabeth Drive in Acton where she spends her days making baby quilts, hand sewing and going to church.

Concern over charges...

Continued from page 3

in the 401 corridor is "not our life's blood," they were counting on corridor development to bring in taxes and provide jobs.

"If the Region is prepared to price us out of the market, then I think we as a council should comment as

a council..." Johnson said.

Mayor Bonnette said he could appreciate Johnson's concerns because they must be competitive.

"This is the one opportunity that we're going to have to develop the 401 corridor, and we don't want to have it sit in abey-

ance for 10 years because we can't afford it..."

Bonnette said, adding that's the message that needs to be relayed to Halton.

Georgetown councillor Ron Chatten said he's most concerned that the proposed development charge numbers are now in the public forum.

"There will be people absolutely frightened away that are thinking they'd like to come (to Halton Hills) and then it's not going to happen," he said, adding they should put pressure on the Region not to price the development charges out of all context to the detriment of Halton Hills, so Halton can "have the best road system they want across Oakville and Burlington."

"It's not fair," he said.

The Regional Municipality of Halton
A Partnership That Works!

NOTICE OF PUBLIC MEETINGS

Tree Conservation Bylaw Livestock Facility Guidelines (Odour)

Halton Regional Council directed that the following be prepared as part of the five-year review of the Regional Official Plan:

Tree Conservation Bylaw to replace the current Tree Bylaw in compliance with the new Municipal Act. The intent of the bylaw is to protect trees in Greenlands and Woodlands that are 0.5 hectare or larger. It also promotes good forestry practices in part through use of Forestry Management Plans. Under this new Bylaw, the destruction or injury to trees is prohibited unless exempted by legislation, for limited use by the landowner, or under a permit to be issued by the Halton Region. A Woodland Stewardship Program will complement the By-law.

Livestock Facility Guidelines (Odour) to clarify how the provincial minimum distance separation requirements are to be applied to new residential uses near livestock operations and to new or expanding livestock operations among existing residences. The Guidelines also promote use of Best Management Practices to improve compatibility between livestock operations and non-farm uses.

Public Meetings will be held to explain and receive input on both of these topics:

Date: Wednesday, March 3, 2004

Time: 6:00 p.m. - 9:00 p.m.;

Presentation at 7:00 p.m.

Place: Auditorium, St. Joseph's School
147 Mill St., Acton

Date: Saturday, March 6, 2004

Time: 9:00 a.m. - 12:00 p.m.;

Presentation at 10:00 a.m.

Place: Auditorium, Halton Region
Administration Centre,
1151 Bronte Rd., Oakville

Please note that an Official Plan Amendment (Amendment 25) to incorporate changes resulting from the five-year review will soon be available for public review and comment. Please watch for public notices on the open houses for Amendment 25.

To Obtain More Information: The proposed new Tree Conservation By-law and Livestock Facility Guidelines (Odour) can be viewed at the Office of the Regional Clerk, 1151 Bronte Road, Oakville, between 8:30 a.m. and 4:30 p.m. weekdays. A copy may be obtained by contacting Isabel Telford at 1-866-442-5866 ext. 7195 or downloaded from our website at www.region.halton.on.ca/ppw/OPReview/default.htm
