Horticulture Society prepares for plant sale

MAKING THE TOWN BEAUTIFUL: Mayor Rick Bonnette addresses horticulture society delegates

By JEAN SOMERVILLE

Halton Hills Mayor Rick Bonnette welcomed the delegates for District 6 Ontario Horticultural Societies when over 160 members met in St. John's United Church in Georgetown recently.

Visitors for Brant, Hamilton, Wentworth, Norfolk and Halton attended the day long event, which was hosted by the Georgetown Horticultural Society.

Local clubs are busy preparing for their annual fundraisers.

The Acton Horticultural Society plant and shrub sale will be on Saturday morning, May 8, at the olde Hide House parking lot.

Proceeds from this sale will be spent on beautification projects throughout Halton Hills.

Summer Hours Start May 1st

Mon-Wed 8-7, Thu-Fri 8-8, Sat 8-6, Sun 10-4

Scouts plant trees at Waste Management Site

On Saturday, May 1 from 9 a.m. to 1 p.m., Halton area Scouts will be hard at work planting more than 100 trees at the Halton Waste Management Site, on Regional Road 25 in Milton.

"Over the years, we've always had fun with our Scouts partnership while at the same time helping to clean our air by planting hundreds of new trees," said Halton Regional Chairman Joyce Savoline. "They set a great example. If each of us contributes to the environment in any way we can, such as by planting a tree, together we can make the world a healthier place."

To make a difference in their community and help commemorate Arbour Day, (April 30), about 100 Halton area Scouts, aged six to 12, will participate in the day's activities, along with many of their parents. The Scouts' trees will be provided by Conservation Halton. Mr. Ad Reiserer of Burlington area Scouts has volunteered his time to recruit and co-ordinate the Scouts for the day.
