BICYCLE HELMETS

Purchase a quality, properly fitted bicycle helmet and WEAR THE HELMET! Studies have shown that a properly fitted helmet can reduce the risk of serious head injury by as much as 85%.

Nobody plans to fall off their bicycle and injure themselves, but accidents do happen and your fitted bicycle helmet is your best line of defense to prevent serious head injury.

Remember, bicycle helmets are mandatory for persons up to 18 years of age. Section 104(2.2) of the Ontario Highway Traffic Act provides that; No parent or guardian of a person under 16 years of age shall authorize or knowingly permit that person to ride on or operate a bicycle on a highway unless the person is wearing a bicycle helmet.

Parents, please take time to talk to your children about the importance of bicycle safety and especially, the proper wearing of their bicycle helmets. If you, the parent, area bicycle rider...please, set a good example for the kids.

Licence plate collectors display some rare tags

Local members of the Auto Licence Plate Collectors Association (ALPCA) hosted a swap meet at the Acton Community Hall Sunday April 18th, featuring several displays of rare, and unique auto licence tags they collect. Over thirty collectors were drawn from across Ontario including a US member to swap plates and trade collecting stories. The heavy rain did not stop one or two members of the public who were at the arena for lacrosse to sneak a peek at all the "tin" on the

tables. One of the rarest plates on display, a 30's vintage porcelain licence plate from Argentina went home with a collector from Guelph. Co-host Dave Steckley of Acton obtained two unique school vehicle plates from the early 50's that originally surfaced on Manitoulin Island, according to their current owner. Based on the success of this second annual meet in Acton, organizers are planning a similar event for Acton next year.

MS FUND RAISER: Profile Beauty Salon & Silver Creek owners Monica Galway, centre, and Yvette Simpson, left and staff member, Joanna Scott, took part in the super-cities' walk on April 18 where they presented a donation of \$1354.00 for the fight against Muscular Sclerosis (MS). The funds were raised during the March campaign at the Acton business. "We'd like to thank all our customers for their support in our MS fund-raiser." they said. - Submitted photo
