Erin man is charged

A 44-year-old Erin man was arrested and faces a charge of uttering a death threat following an incident on the Fifth Line, Erin on Tuesday, May 25.

Wellington OPP responded to a report of a threatening at a residence on the Fifth Line at 11:08 p.m. Police said a 39-year-old female said she was being threatened by her spouse, who was held in custody until a bail hearing the next day in Guelph Court.

OPEN HOUSE

HALTON REGION'S STRATEGIC PLAN

Thursday, June 24, 2004

6:30 p.m. - 8:00 p.m.

Halton Regional Centre - Front Lobby at the Main Entrance
1151 Bronte Road, Oakville

Halton residents are invited to provide feedback on the Region's new Strategic Plan. The draft Plan outlines Regional Council's priorities and goals for the Halton community.

The draft Plan will be available for review on the Region's website and at the Halton Regional Centre on June 7th. You are invited to provide feedback at the Open House on June 24th and/or in writing on or before June 25th.

The draft Plan, along with the input received at the Open House, will be presented for approval to the Standing Committees of Council and Regional Council in July 2004.

Additional information on Halton's strategic planning process is available on Halton's website at www.region.halton.on.ca/about/strategicplan

NOTICE OF PESTICIDE USE

Beginning the week of June 7, and continuing throughout the summer, the Halton Region Health Department will larvicide catch basins on public lands under the direction of the Medical Officer of Health, Dr. Bob Nosal.

Monitoring of catch basins has indicated that mosquito larvae are present. Larvicide will be applied by a licensed applicator contracted by the Region. Larvicide will be used to control mosquito larvae in order to reduce the incidence of West Nile virus in Halton.

A pellet and/or briquet formula of the larvicide Methoprene, Altocid (registration number 21809 for pellet formula, 27694 for briquet) will be placed in catch basins on public lands in urban areas of Burlington, Oakville, Halton Hills and Milton.

For a map of boundaries of treatment areas, please visit our Web site at www.region.halton.on.ca/health. For more information about West Nile virus, please call the Halton Region Health Department.
