Man's body found in burned-out vehicle

Two men, one of them local, have been arrested and charged with first degree murder in the death of 48-year-old Brian C. Stockton of Milton whose body was discovered in a burning car off Regional Rd. 25 (Highway 25) just south of the Halton Hills boundary on Thursday, June 17.

Arrested are Michael James McDonough, 39, of Fourth Line, Halton Hills, and John Kevin McClatchey, 47, of Westley St., Port Credit.

At approximately 12:20 a.m. on Thursday, June 17, two separate passing motorists alerted Halton Police and the Milton Fire Department

to a car fire at the rear of Traffix, 8420 Highway 25. The car was found fully engulfed in flames. Once the fire was extinguished, the deceased man was located inside the car.

Investigators from Halton police said the man's body was badly burned and made the process of identification difficult. An odontologist (forensic dentist) positively identified the victim as Brian C. Stockton of Milton through the assistance of dental x-rays.

Police were immediately suspicious of the circumstances of the death after preliminary search of the fire scene discovered a second-

ary scene containing pools of blood investigators believed may be related to the death of the man.

Both accused men will appear in Burlington Court via video remand from the Maplehurst Detention Centre

on Thursday, June 24.

Halton police are asking anyone with further information concerning this incident to contact the major Crime Tip Line at 1-866-425-8847 or Crime stoppers a 1-800-222-TIPS (8477).

Bid Euchre had two mooners this past week, Francis Hoganbirk and Ruth Burke. The bus to Rama on Wed. June 30th is getting filled up so if you haven't signed in yet, don't be disappointed.

We congratulate Lauretta Ivanshyn again for winning the 50/50 draw last week. There was no winner on Friday so the jackpot is growing again.

Our Senior Centre is helping the Kinettes with the Community Brunch on Sunday, June 27 from 9:30am and will receive a portion of the proceeds. Please let Margaret Anderson know if you can help with sweets, jams or

assistance.

Do you really know how to protect yourself from scam artists? If not, plan to attend the fraud presentation on "Schemes, Scams and Flim Flams" at the Centre on Tuesday, June 29 at 1:30pm. To be forewarned is to be forearmed.

We still have a few seats available for our summer cruises with entertainment so call the Centre and sign up.

Unfortunately, there is now a waiting list for our trip to Toronto to see, "The Producers."

With good weather now with us, I wish everyone a relaxing and pleasant summer.
