Teen accused of sex assault in park

A male teen was arrested at the scene of a sexual assault in Prospect Park last Wednesday.

Halton police report they were called to investigate a sexual assault occurring in the park, and their investigation led to the arrest of the youth, whose identity is protected by the Youth Criminal Justice Act.

A publication ban was issued at an earlier hearing in the Ontario Court of Justice. The accused is back in a Burlington youth court on July 15.

WINDOW STOLEN

A used window valued at \$10 was stolen from a trailer at a Holmesway Place resi-

dence at 4:40 a.m. on Monday. Police have no suspects.

SHOPLIFTERS

Two 11-year-old Acton girls have been banned from the Dollar Stretcher Daze store after being caught shoplifting last Sunday.

A search of a knapsack and purse belonging to the girls uncovered approximately \$25 worth of stolen make-up, and police were called.

The girls were too young to be charged, and were released to one of their mothers and told they would be trespassing if they entered the store again.

DOUBLE WHAMMY

The driver of a vehicle that rear-ended another car stopped at an accident scene on Highway 25 and St. Helena Road, left the scene. A passenger in the car that was hit was injured and taken to hospital with undetermined injuries.

The incident began at 3:14 pm when a farm tractor pulled down some hydro wires. The driver of a Ford Escort witnessed the incident and stopped and was hit from behind by the driver of another car that stopped briefly and then drove off.

FIERY RHETORIC

Acton firefighters were

called to the area of Main Street North, just over the railway tracks at 12:55 a.m. on Saturday when unknown persons set five election signs on fire.

A passing Acton firefighter managed to put out most of the flames with an extinguisher he had in his car, and firefighters extinguished the remainder of the flames.

Firefighters questioned several youths in the area, but they had no information.

BUSY DAY

Acton firefighters were busy last Wednesday:

• 4:26 a.m. - A carbon monoxide detector went off in a Beardmore Crescent home, but Acton firefighters found no elevated levels of the gas

• 8:54 a.m. - An alarm called Acton firefighters to an

Elgin Street address where they determined that exhaust from an excavator, being used to reconstruct the street, had entered an apartment through an open window and set off the smoke alarm.

• 5:51 p.m. - Flames fully engulfed a barbecue and were burning at the top of a propane cylinder when Acton firefighters arrived at a house on 32 Side Road, west of the Fourth Line. They extinguished the flames and stood by while the remaining propane dissipated.
