Georgetown Toyota - 7
C&S Printing/Loduca - 7
 Toyota scoring: Jake

McDonald's Rookies lose one after six lopsided wins

After six consecutive super-sized wins to open the 2004 season, Acton McDonald's rookies ran into a tough opponent from Carlisle, and came up on the short end of a 12-11 tally to the visitors.

Technical difficulties with the pitching machine forced the coaches into the action to provide the pitching, and rusty arms needed an inning or two to warm up. The Acton team had the lead up going into the final inning when Carlisle found their collective batting stroke and scored six runs.

The visitors hung on for the win as Acton fought back valiantly in their half of the final inning coming

up one run short. Jillian Mullin was solid at first base making three catches for put-outs and alertly relayed an overthrow to Jasson Lackyer at second for an apparent out. However, the umpire called the play dead and ordered the runner back to first base. Jake Corpe also fielded well at the pitching position.

At bat, Acton had a strong second inning, scoring five runs with consecutive doubles by Neil Campbell, Travis Baker, Justin Pankratz. Corpe and Lockyer.

Acton will be looking to revenge their loss as they travel to Carlisle for their next game.

Mosquitos edged 3-2

The KFC Mosquitos got more great pitching in Greenville on the 15th, but so did Greenville, beating KFC 3-2

Travis Brown started for Acton, and allowed a run in the first as Greenville's lead-off batter doubled and stole home. Acton started the game short of fielders which led to the Greenville hit. Brown shut Greenville out after that, ending with one run in three innings on two hits with seven strikeouts.

Acton scored one in the third when Bradley Reynolds reached base on a dropped third strike, stole round to third, and was driven home by Walter Kirkness' single. Acton added another in the fourth when Brown led off the inning with a triple, and scored on Carter Ebbings'

double. Acton loaded the bases with one out in the fifth, but could not score.

Jesse Spurrell came in to pitch the fourth for Acton, and was overpowering, striking out the side on 11 pitches. Greenville scored a run in the bottom of the fifth to tie it at two, as a batter walked, advanced to third on a single, and then stole home.

Greenville scored with a winner in the bottom of the sixth, loading the bases on walks, then with two out scoring on a fourth walk, on a close pitch on a 3-0 count. Greenville is clearly a good team, but Acton could have won with some better luck.

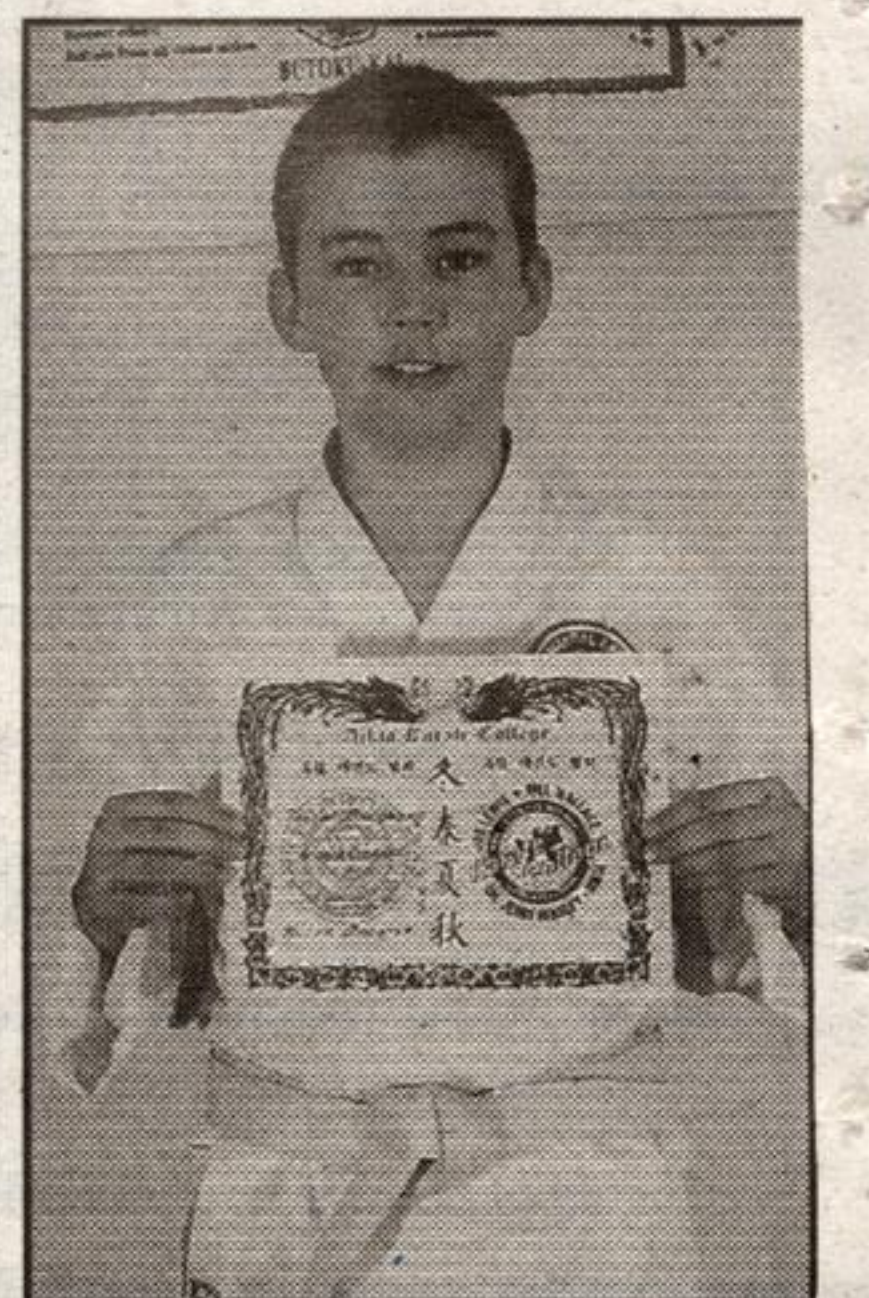

The team's next meeting should be a good game. Schedules are at www.actonminorball.com

Taylor Buchanan gets karate college certificate

Classic Karate student Taylor Buchanan has received the Karate College Certificate of Merit. The certificate was awarded for his exceptional performance during a recent belt test. Taylor, aged 11, was the top candidate.

"Taylor has learned how to apply the lessons we teach about taking consistent action. His success is due to enthusiasm and diligent practice," commented Head Instructor D.R. macGregor.

Taylor's superior performance is not restricted to the dojo. "Since joining karate Taylor has had a greater enthusiasm towards his schoolwork. His last report card had improved grades

Taylor Buchanan

as well as comments from teachers on how his attention span has improved," says his mother, Barbara Buchanan

Girls soccer club splits

Acton Under 21 Girls Soccer Team split a pair of games over the past few weeks to keep their record even at 2-2.

On June 1 the team travelled to Caledon for a late game and took a 4-1 loss. Already suffering from a lack of players, the team lost two more, one to injury and one with a red card. The girls put up a spirited performance on a rainy night with Kasia Sitarz hitting the net for Acton. Beth Clayton and Mel Edwards played energetic games.

The following week on June 11, Acton hosted Milton at the high school and cruised to a 4-2 victory over a depleted Milton squad. Striker Sitarz led the way with two goals, winger Denise Barends and striker Larrisa Viel counted single markers. Amanda Schroader and Alica Roza proved their worth as team players by again volunteering a half each in nets.

The team played in the North Peel Halton Soccer league. Last week's game against Bolton was cancelled due to school exams.
