Many successes...
continued from page 13
 would like to extend my sincere appreciation to Father Bulbrook, Father Hundt, Father Van Hees and Mr. Tomon, who work in partnership with the schools to develop in our students a love of God, people and self, an appreciation of prayer and a moral foundation to assist them as they journey through life. And most especially, I would like to thank the students for their hard work and determination; congratulations on all of your achievements this school year.
 Catholic education for our children is essential, and I thank our Catholic communities in Halton Hills for supporting our schools so that our children may grow in the love of God and our Catholic faith.
