for parents to gather with their new babies from birth - 12 months. Come on out and have fun meeting other new parents, share information, join in discussions and listen to guest speakers.

EWAG is looking for responsible volunteer drivers who would be willing to take seniors to medical and dental appointments. The VON is the first contact for people to try and get transportation to medical, dental and shopping, but sometimes they are not able to provide this service. Therefore we need a few folks who are willing to provide transportation if necessary. If you are interested in becoming a volunteer driver, please call Lynn at the Rockwood office or Gillian at the Erin office at 833-9696.

Are you a senior? Is there an activity or event that you would like to see happen in our community? Give us a call at EWAG and give us your input. Programs will be planned in September according to what folks in our community need. We will try and meet those needs, but we need to hear from you. Also, if you are looking for an extra hand around the house or in the yard, please give us a call, and we will try to find a student in the community to help you.

Food Bank is available to those in need in Rockwood, on Tuesdays between 9 a.m. and 1 p.m. Please call ahead to make an appointment with Gillian at 833-9696. If you would like to make a donation to the Food Bank, we are always accepting donations of non-perishable food items. We are in need of instant coffee, tea, jam, fruit juice, cereal, canned fruit and shampoo. All donations are greatly appreciated.

## Youngsters raise funds for 4-D Pets

BY MAGGIE PETRUSHEVSKY

A group of youngsters in Rockwood are working on raising funds for 4-D pet shop over their summer holidays.

The youngsters are manning a lemonade stand in the Crha driveway and selling their cookies and drinks to area residents and workmen passing through the subdivision on Rockwood's south end.

Elizabeth Crha says the kids were inspired to help out

after being present the night the store went up in flames.

A Girl Guide leader, Crha said they were just ending their meeting in the old Town Hall next door to the store when the alarm went off. Unpleasant though the incident was, it provided a perfect lesson on how to react to emergencies and the girls discussed it at their next meeting.

Now her own children and a few others in the neighbourhood have decided they want to help 4-D owner Dwayne

Hitchcock get up and running again.

Customers have supported

the youngsters to the tune of just over \$60 in one week of operation.
