"Best Price, Best Service Since 1972"

Sex clinic moves to Acton East plaza

By **FRANCES NIBLOCK**
The New Tanner

Halton Region will relocate its sexual health clinic to the Acton East plaza as of September 1, to better service its teenage clients.

The clinic offers testing for sexually transmitted diseases, relationship and birth control counselling and low cost sales of birth control devices. It has operated from the Halton Hills Community Support and Information (HCSI) offices on Mill Street for the past two years.

Halton's manager of AIDS, STDs and sexual health clinic services, Kate Bannan, said while they take possession of the new rented facilities on September 1, she is unsure how long it would take for them to set up their phones and computers and begin seeing clients, mostly teens.

Bannan said they are mov-

ing to provide easier access for their clients, and because they needed more space and a "nice pleasant space" for clients.

On the four days of the week that the sexual health clinic is not open, Bannan said other Regional employees, including public health nurses and restaurant inspectors will use the office as a base in the north.

Bannan said they've seen a steady increase in clients at the clinic, which is open on Tuesdays from 11 a.m. to 5 p.m.

In 2000 when the clinic opened in Acton they saw 25 clients and that jumped to 233 last year.

The clinic is staffed with a public health nurse and a nurse practitioner who is capable to making diagnoses and prescribing some medication. A physician is available once a month. Clients can either just drop in for services, or make an appointment.

POWDERHOUSE RESTORATION: Work is progressing on restoration of the powderhouse in the Limehouse Conservation Area in spite of recent thefts and vandalism. It is a significant building in the lime works which are a large part of the Limehouse village heritage. Cost of the restoration is being mostly looked after by a \$29,000 Trillium grant.

Powderhouse restoration plagued by vandalism

To the Editor,

Thank you for your excellent coverage of the powderhouse restoration project in the Limehouse Conservation Area. Gerry Inglis and his crew are making significant progress in restoring this historic limestone structure in spite of the recent thefts and vandalism.

The motor and belts were removed from the mortar mixer the day after it was brought to the site. Now all mortar is being mixed by hand. Rock pieces being used for filler have also been transported

elsewhere. The Trillium sign is badly cracked even though it is behind the fencing and is mounted on a steel pole.

All we're trying to do in Limehouse is preserve our cultural heritage before it's lost forever and it is becoming an unnecessary challenge.

Mary Shier,
President, Limehouse Kiln Society

**LEGION NEWS
BRANCH
No. 197**

By James Hayes
Public Relations Officer

We would like to thank, Ken Marchment, Pete Turkosz and Keith Andrews for our beautiful "Patio by the Lake" sign.

We look forward to seeing the helpers on Sunday, August 29 at 9am to assist in putting up the new ceiling tiles. If you are concerned about sleeping in leave your phone number at the bar and we will give you a call.

Upcoming events: As a Wing Night Bonus tonight Thursday, August 26, The Newfie duo, "Sea Breeze," will provide live entertainment from 7:30 to 10:30pm. Corn is also added to our menu this evening.

Don't forget to get your Steak Fest tickets for Saturday, August 28 @ \$10 each. Joe Tucker and his Maritime Country Band return to "The Patio by the Lake" to entertain us from 2 to 6pm.

Sports.

The Legion Masters will be held on September 11. Seventy-two players have signed up, a standby list has been posted for cancellations. Pay by September 3. \$55 includes golf, cart, and steak dinner back at the Branch.

Wanted: Cribbage Players. The Acton Legion Men's league will be starting the winter season on Thursday, October 14 from 8-10 pm.

Interested in Halton's future?

Attend Halton's Forum on the
Provincial Growth Management Strategy

Thursday, September 9, 2004

6:00 p.m. Open House

7:00 p.m. Presentations

Halton Regional Centre Auditorium
1151 Bronte Road, Oakville

The Ministry of Public Infrastructure and Renewal recently released a paper entitled: "Places To Grow: A Growth Plan for the Greater Golden Horseshoe". This document speaks to the Province's vision for how and where municipalities will grow and addresses infrastructure and environmental impacts.

Halton's Forum will provide an opportunity for residents to learn about the Province's plan and the potential implications to Halton's future. Public comments will assist Halton in developing our response to the Ministry's request for input. Halton's website has also been set up to receive input and provide a link to the Ministry's proposed plan. Click on 'Provincial Growth Plan' at www.region.halton.on.ca.

We have requested that the Province attend and at this time are awaiting confirmation as to their availability. Please continue to check our website for updated information.

Regional Council will consider staff's report on Halton's response to the Ministry at the September 15th Planning & Public Works Committee meeting and at Regional Council on September 22nd. Both meetings begin at 9:30 a.m. These timelines have been established to ensure we meet the Province's September 24th deadline for input.

For more information, please contact Jane Clohecy, Director, Planning & Transportation at 905-825-6000 ext. 7966, toll-free at 1-866-442-5866 or email clohecyj@region.halton.on.ca.
