Council is deep in budget discussions. We have had many meetings on this year's budget. This will be the first year the Pavement Management Plan will be implemented. What is the Pavement Management Plan? This was supported last year at budget and something that I campaigned on. This is where we increase your taxes by 2%. This 2% goes directly to resurfacing roads. Nothing else. The Town is \$57 million behind in repairing roads. You may ask "how in the world did this happen?" I will give you a quick history lesson on the Town of Halton Hills. Acton, Esquesing, and Georgetown were amalgamated in 1974 to become the Town of Halton Hills.

The Province wanted to see this marriage work so they gave one dollar for every dollar the Town spent on roads. When I was first elected in 1982, the Province was already reviewing its contribution for every dollar the Town would spend on roads.

By the early 90's, the Provincial Government of the day cancelled their contribution for roads, leaving the

The newsletters are now ready for pickup and are near the front desk. If you can't find yours please ask for help; someone will be happy to help you. They are filed by street address, then alphabetically by name. If you notice someone who lives near you hasn't pick theirs up, would you be kind enough to deliver theirs too? I am sure they would appreciate it.

Eileen asks me to remind everyone that the membership of the Acton Seniors Recreation Centre runs from January to December and costs \$15.

Some people wait until the Annual General Meeting, but that makes it very crowded around the entrance area when the meeting is ready to start. Please pop in and renew yours as soon as possible, or if you are 55 or older and thinking of joining, you will receive a very warm welcome.

Some people have signed up for the C.P.R. and Defibrillator training. The first session will be held on February 10 from 2-4 and we are hoping to run a second session in March. Anyone can take part in this course, you don't have to be

a senior. The cost is \$10 per person.

The Annual General Meeting is on Tuesday, February 22 at 1:30 p.m. Please mark your calendar, as we need your input and vote. The new Board members will be elected, and paragraph B-4.4 (in the Acton Seniors Constitution and By-laws) will be deleted which will be ratified this meeting.

Tickets for the Valentine Dinner are all sold. It looks like it will be its usual great success!

The trip to Rama on January 26 was enjoyed by all who went. You don't have to be a member of the Centre to enjoy these trips. The winner of the 50/50 draw was Jean Jackson. Celebrating birthdays were Claude Couture and Bill Brewer, and sitting in the Lucky Seats were Ruth Burk, Margaret Hodgins, Barb Hunter, and Bill Brewer. It looks like it was Bill's lucky day. I hope his luck stayed with him when he was playing at the Casino.

At Bid Euchre the only Mooner was May Hoare.
