

There are a couple of monthly events that are open to members and non-members of the centre. The next evening Euchre is February 16 at 7.15p.m., and the next trip to Rama is scheduled for Wednesday February 23 at

8.30 a.m. Call Ruth 853-5124 if you are interested.

This Friday's lunch (February 11) at the Centre will be soup and sandwich day. The soup and sandwich lunch always consists of two different soups and a choice of

sandwich plus tea or coffee and costs \$5.

The ladies ask you sign up for the lunch so they know how much food to prepare. It is followed by Bingo, and usually there is a sing along before lunch, and the music is always great - we are lucky to have such a talented piano player.

On the subject of music, the Band meets on Tuesday evening at 7 p.m. They extend a warm welcome to anyone who is interested in joining them (Dave says only talented people may apply) but in reality, they will take anyone.

The Valentine Dinner being held on Tuesday February 15 is a sold-out event, and Margaret is already busy with her crew planning the next evening event, which will be a St. Patrick's Day Dinner on March 17th. More information on this later.

Don't forget the wine mak-

ing club. They hope to make some new batches shortly, so sign up. If you only need a small amount of wine, perhaps you can join up with some other friends. By the time the wine is ready for drinking, we will be thinking well into Spring.

Matt Oechsner (representing Edward Jones Fixed Income Specialists) flew in from St. Louis Missouri last week, to help inform us about some of the better ways to get the most from the money you might wish to invest. It was very informative, and gave us an insight into the way Stocks and Bonds work, plus the best way to use them to create an income stream for the future.

Archie Braga from the Acton office and some of his staff members were also on hand to field any extra questions, and it was a well presented and enjoyable afternoon, hopefully we all learned something. Archie Braga from Edward Jones Investments with A.I.M. Trimark will be back in April presenting a seminar on estate planning.

information, you can call Jim 905-876-0018.

Betty Green at the travel desk tells me they are planning a trip to the River Run Centre to see the Royal City Ambassadors Barbershop Chorus presenting Juke Box Harmony.

As everyone knows, I'm sure, Acton's own Don Lind say has been a member of the Ambassadors for many years and they always present a great show

We are hoping to charter a school bus, and the date is April 9, with the show starting at 7:30 p.m. The cost is expected to be between \$20 and \$30, depending on how many people wish to go.

This trip is also open to the public. Anyone who would like to join us just sign up at the travel desk.

There is still room for a few more people to take in the 67th annual production of *The Beaver Show* in Toronto. The cost is \$61.00 and that includes the coach, a buffet lunch at Town and Country in Mississauga, plus the show. What a great way to help make Spring seem a little closer.

Eight members of the seniors hiking club had a great walk at Silver Creek Conservation area just west of Trafalgar road. They walked about 3 km. through a wooded section and had great view across the valley. Part of the walk was on the Bruce Trail and we were all impressed at the great job the Bruce Trail members have made in the upkeep of the trail. The weather was sunny and lovely.
