Kyle Dodd makes squad

Eastern Michigan University (EMU) released its 2005-2006 basketball roster on Friday, July 22 and it includes Kyle Dodd of Rockwood.

The 6'10" centre, a graduate of John F. Ross Collegiate in Guelph, will play in the NCAA Division 1 men's basketball for EMU. He's the only Canadian listed on the team roster where most players are from Michigan.

Kyle is also one of the tallest players on the team at 6'10" sharing that height with centre Chris Knaub.

The Seaton Group donated the amount to cover development charges for water and sewage treatment for the two new homes currently being built in Rockwood.

The exchange took place on the construction site on Inkerman St., Rockwood. Construction of the two semi-detached homes began in June and is proceeding on schedule. Completion is slated for early September.

Over 130 volunteers are involved in the build, including the new homeowners.
