Seeking Volunteers for Odd Jobs – We are in the process of compiling a list of people in the community who are available to do some odd jobs. From time to time we get requests from busy people and seniors who require some assistance with gardening or other types of household jobs. If you have some time on your hands and are willing to be put on our list please call Sue at 833-9696. Students who need their 40 hours of volunteer service are welcome!

Back to School – Back to school should be a wonderful time for all children. Often it is a stressful and difficult time for families when there is no extra money for back to school supplies. EWAG is having a backpack and lunch box drive to help! The next time you are out and about please consider purchasing an extra lunch box or back pack and filling it with school supplies.

nights on which councillors are scheduled to examine the document staff will labour to finalize in the coming months.

In addition to \$204,000 for the skateboard park, the budget calls for the spending of \$650,000 on Wallace Street for work between Commerce and McDonald Streets, and \$3,000 for engineering work on Commerce Crescent. Acton's fire hall is also earmarked to receive \$15,000 worth of refurbishing.
