Enchanted Setting

Lush country setting with a rushing stream, chirping birds and towering trees! Nature's beauty manifests itself on the 7.96 acres. Beautiful, restored 150-year-old stone farmhouse, with addition. The original character is maintained throughout, by the use of much of the original wood, many original doors, cabinets, etc. Country-sized kitchen has built-in appliances, high ceilings therefore taller cupboards, original pine flooring. Beautiful sunroom with skylights and interlocking stone floor overlooks picture book setting of lawns, inground heated pool and woodlands. Sunken family room with beamed ceilings creates cheer with its openness, fireplace and built-in bookshelves. Relieve stress and tension after a long day, in the sauna. If you would like a personal tour, please ask for Chris.

\$495,000

Elegant, Atmosphere, Comfort

Open the double doors to prestige and elegance! Foyer with double entry doors, walk-in closet providing lots of rooms for guests' coats. The living room is set apart for formal entertaining. "The Dinner Party" room can be closed off by french doors. Family-sized kitchen with the breakfast island, abundance of cupboards and counters and comfortable seating for eight. From the eat-in there are sliding doors to the multi-level, wrap-around deck which overlooks grounds and all of Mother Nature's friendly visitors. The only sound is that of the birds. From the kitchen, we look down to the sunken family room with windows all around. The upper level party-sized games room is perfect for pool table, exercise equipment or whatever your pleasure. For more details, please ask for Chris.

\$479,900
